affiliates (the "Buyers") pursuant to the Master Sale And Purchase Agreement, dated March 30, 2009 (such Master Sale and Purchase Agreement, including all schedules, exhibits, and related agreements and documents, the "Agreement," a copy of which (without such schedules, exhibits, and related agreements and documents, other than Schedule 3.6.1 of the Agreement) is attached hereto as Exhibit 1), by and between the Buyers and Delphi and certain of its affiliates, including certain affiliated chapter 11 Debtors as set forth in the Agreement (the "Selling Debtor Entities"),¹ or to the Successful Bidder (as hereinafter defined) submitting a higher or otherwise better bid, (ii) the assumption and assignment of certain prepetition executory contracts and unexpired leases as defined in the Agreement (the "Assumed U.S. Contracts") and the assignment of certain postpetition executory contracts and unexpired leases as defined in the Agreement (the "Postpetition Contracts," and collectively with the Assumed U.S. Contracts, the "Assigned Contracts,") to the Buyers or to the party submitting the highest or otherwise best bid (the "Successful Bidder"), and (iii) the assumption of certain liabilities as defined in the Agreement (the "Assumed Liabilities") by the Buyers or the Successful Bidder; and the Court having entered an order on April [___], 2009 (the "Bidding Procedures Order") (Docket No. [____]) (a) approving the Bidding Procedures, (b) approving the break-up fee, (c) approving the form and manner of sale notices, and (d) setting the Sale Hearing; and the Sale Hearing having been held on May 21, 2009, at which time all interested parties were offered an opportunity to be heard with respect to the Motion; and the Court having reviewed and considered the Motion and the arguments of counsel made and the evidence proffered or adduced at and on the record of the Sale Hearing; and it appearing that the relief requested in the Motion is in the best interests of the

¹ Under the Agreement, the Selling Debtor Entities are Delphi Corporation, Delphi Automotive Systems LLC, and Delphi Technologies, Inc. Certain assets will be sold under the Agreement by non-Debtor affiliates of the Selling Debtor Entities listed on Schedule 1 to the Agreement. The Selling Debtor Entities and the selling non-Debtor affiliates are collectively referred to as the "Sellers."

Selling Debtor Entities, their estates, their stakeholders, and all other parties-in-interest; and after due deliberation thereon, and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:²

A. The Court has jurisdiction over the Motion and the transactions contemplated by the Agreement pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief sought in the Motion are sections 363, 365, 1123, and 1146 of 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code"), and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014.

C. As evidenced by the affidavits of service previously filed with the Court, and based on the representations of Debtors' counsel at the Sale Hearing, (i) proper, timely, adequate, and sufficient notice of the Motion, the Sale Hearing, the Sale, the Bid Deadline, the Auction, and the assumption and assignment of the Assumed U.S. Contracts, and the Cure Amounts as approved herein has been provided in accordance with 11 U.S.C. §§ 102(l), 363, and 365 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014 and such notice was good, sufficient, and appropriate under the circumstances and (ii) no other or further notice of the Motion, the Sale Hearing, the Sale, the Bid Deadline, the Auction, or the assumption and assignment of the Assumed U.S. Contracts as provided herein is necessary or shall be required.

D. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing and (ii) the representations of counsel made on the record at the Sale

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when and where appropriate. See Fed. R. Bankr. P. 7052.

Hearing, the Selling Debtor Entities have marketed the Acquired Assets and conducted the sale process in compliance with the Bidding Procedures set forth in the Motion and in a manner that afforded a full, fair, and reasonable opportunity for any party to make a higher or better offer to purchase the Acquired Assets.

E. The Selling Debtor Entities (i) have full power and authority to execute the Agreement and all other applicable documents contemplated thereby, and the transfer and conveyance of the Acquired Assets by the Selling Debtor Entities has been duly and validly authorized by all necessary action of the Selling Debtor Entities, (ii) have all of the power and authority necessary to consummate the transactions contemplated by the Agreement, and (iii) have taken all action necessary to authorize and approve the Agreement and to consummate the transactions contemplated thereby, and no consents or approvals, other than those expressly provided for in the Agreement, are required for the Selling Debtor Entities to consummate such transactions.

F. The Selling Debtor Entities have demonstrated (i) good, sufficient, and sound business purposes and justification for the Sale because, among other things, the Selling Debtor Entities and their advisors diligently and in good faith analyzed other available options in connection with the disposition of the Acquired Assets and determined that (a) the terms and conditions set forth in the Agreement, (b) the transfer to Buyers of the Acquired Assets pursuant to the terms of the Agreement, and (c) the Purchase Price agreed to as reflected in the Agreement are all fair and reasonable and together constitute the highest or otherwise best value obtainable for the Acquired Assets and (ii) that compelling circumstances for the Sale pursuant to 11 U.S.C. § 363(b) prior to the effective date of the Debtors' Confirmed Plan, as it may be modified, exist

because, among other things, absent the Sale the value of the Acquired Assets will be substantially diminished.

G. The terms of the Agreement are fair and reasonable in all respects.

H. A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities, including without limitation: (i) the Office of the United States Trustee for the Southern District of New York, (ii) counsel for the Buyers, (iii) counsel for the official committee of unsecured creditors appointed in these chapter 11 cases (the "Creditors' Committee"), (iv) counsel for the official committee of equity security holders appointed in these chapter 11 cases, (v) all entities known to have expressed an interest in a transaction with respect to the Acquired Assets during the past six months, (vi) all entities known to have asserted any Interests and/or Claims (as defined below) in, upon, or against the Acquired Assets, (vii) all United States federal, state, and local regulatory or taxing authorities or recording offices, including but not limited to environmental regulatory authorities, which have a reasonably known interest in the relief requested by the Motion, (viii) all counterparties to Assigned Contracts, (ix) the United States Attorney's office, (x) the United States Department of Justice, (xi) the Securities and Exchange Commission, (xii) the Internal Revenue Service, (xiii) all entities on the Master Service List (as defined by the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(m), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures (Docket No. 2883) (the "Supplemental Case Management Order")), and (xiv) such other entities as are required to be served with notices under the Supplemental Case Management Order.

I. The Buyers are not "insiders" of any of the Debtors as that term is defined in 11 U.S.C. § 101(31).

J. The Agreement was negotiated, proposed, and entered into by the Selling Debtor Entities and the Buyers without collusion, in good faith, and from arm's-length bargaining positions. Neither the Selling Debtor Entities nor the Buyers have engaged in any conduct that would cause or permit the Sale or any part of the transactions contemplated by the Agreement to be avoidable under 11 U.S.C. § 363(n).

K. The Buyers are good faith purchasers, as that term is used in the Bankruptcy Code, including but not limited to 11 U.S.C. § 363(m) or in similar applicable state law, and, as such, are entitled to all of the protections afforded thereby. The Buyers will be acting in good faith within the meaning of 11 U.S.C. § 363(m) in closing the transactions contemplated by the Agreement at all times after the entry of this order.

L. The consideration provided by the Buyers for the Acquired Assets pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Acquired Assets, (iii) will provide a greater recovery for the Selling Debtor Entities' stakeholders than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia.

M. The Sale must be approved promptly to preserve the viability of the Sale Businesses as going concerns. The Sale is consistent with and is contemplated under the terms of the First Amended Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, As Modified (as amended, the "Plan") confirmed by order

of this Court on January 25, 2008 (Docket No. 12359), and, accordingly, constitutes a transfer to which section 1146(c) of the Bankruptcy Code applies.

N. The transfers of the Acquired Assets to the Buyers will be legal, valid, and effective transfers of the Acquired Assets and shall vest the Buyers with all right, title, and interest of the Selling Debtor Entities to the Acquired Assets free and clear of any and all liens, claims, interests, and encumbrances (including, but not limited to, Encumbrances as defined in the Agreement, but excluding Permitted Encumbrances and Assumed Liabilities, each as defined in the Agreement) of any type whatsoever (whether known or unknown, secured or unsecured, in the nature of setoff or recoupment, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, whether arising prior to or subsequent to the commencement of the chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise, including claims otherwise arising under doctrines of de facto merger or successor liability), including but not limited to those (i) that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Selling Debtor Entities' or the Buyers' interest in the Acquired Assets, or any similar rights, and (ii) relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the Sale Businesses prior to the Closing Date, including the transfer of the Acquired Assets to the Buyers (all such liens, claims, interests, and encumbrances listed herein, the "Interests and/or Claims").

O. If the Sale of the Acquired Assets with respect to the Selling Debtor Entities were not free and clear of all Interests and/or Claims as set forth in the Agreement and

this order, or if the Buyers would, or in the future could, be liable for any of the Interests and/or Claims as set forth in the Agreement and this order, the Buyers would not have entered into the Agreement and would not consummate the Sale or the transactions contemplated by the Agreement, thus adversely affecting the Selling Debtor Entities, their estates, and their stakeholders.

P. The Selling Debtor Entities may sell their interests in the Acquired Assets free and clear of all Interests and/or Claims because, in each case, one or more of the standards set forth in 11 U.S.C. § 363(f)(1)-(5) has been satisfied. All holders of Interests and/or Claims who did not object to the Sale, or withdrew their objections to the Sale, are deemed to have consented to the Sale pursuant to 11 U.S.C. § 363(f)(2), and all holders of Interests and/or Claims are adequately protected by having their Interests and/or Claims, if any, attach to the cash proceeds of the Sale ultimately attributable to the property against or in which they claim an Interest and/or assert a Claim with the same priority, validity, force, and effect as such Interests and/or Claims attached to such property immediately before the closing of the Sale.

Q. The Selling Debtor Entities have demonstrated that it is an exercise of their sound business judgment to assume and/or assign the Assigned Contracts, as applicable, to the Buyers in connection with the consummation of the Sale, and the assumption and/or assignment of the Assigned Contracts is in the best interests of the Selling Debtor Entities, their estates, and their creditors. The Assigned Contracts being assigned to, and the liabilities being assumed by, the Buyers are an integral part of the Acquired Assets being purchased by the Buyers and, accordingly, such assumption and/or assignment of Assigned Contracts and liabilities is reasonable and enhances the value of the Selling Debtor Entities' estates.

R. The Selling Debtor Entities have (i) cured, or have provided adequate assurance of cure, of any default existing prior to the Closing of the Sale under all of the Assigned Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(A), and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the Assigned Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(B). The Buyers shall have no further obligations to make any payment or provide any performance to cure any defaults or breaches arising on or before the closing of the assignment of the Assigned Contracts.

S. The Buyers have provided adequate assurance of their future performance of and under the Assigned Contracts, within the meaning of 11 U.S.C. §§ 365(b)(1)(C) and 365(f)(2)(B). Pursuant to 11 U.S.C. § 365(f), the Assigned Contracts to be assumed and assigned under the Agreement shall be assigned and transferred to, and remain in full force and effect for the benefit of, the Buyers notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer.

T. Approval of the Agreement and consummation of the Sale of the Acquired Assets and assignment of the Assigned Contracts at this time are in the best interests of the Selling Debtor Entities, their creditors and other stakeholders, their estates, and other parties-in-interest.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND
DECREED THAT:

General Provisions

1. The Motion is GRANTED and APPROVED in all respects.

Approval Of The Agreement

8. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court; provided that any such modification, amendment, or supplement is disclosed to the Creditors' Committee and does not have a material adverse effect on the Selling Debtor Entities' estates in the good faith business judgment of the Selling Debtor Entities.

Sale And Transfer Of The Acquired Assets

9. Except as expressly permitted or otherwise specifically provided for in the Agreement or this order, pursuant to 11 U.S.C. §§ 363(b) and 363(f), upon the consummation of

the Agreement, the Selling Debtor Entities' right, title, and interest in the Acquired Assets shall be transferred to and vested in the Buyers free and clear of all Interests and/or Claims, with all such Interests and/or Claims to attach to the cash proceeds of the Sale in the order of their priority, with the same validity, force, and effect that they had as against the Acquired Assets immediately before such transfer, subject to any claims and defenses the Selling Debtor Entities may possess with respect thereto.

10. The transfer of the Acquired Assets to the Buyers pursuant to the Agreement constitutes a legal, valid, and effective transfer of the Acquired Assets, and shall vest the Buyers with all right, title, and interest of the Selling Debtor Entities in and to the Acquired Assets free and clear of all Interests and/or Claims of any kind or nature whatsoever.

11. If any person or entity that has filed financing statements, mortgages, mechanic's liens, lis pendens, or other documents or agreements evidencing Interests and/or Claims against or in the Acquired Assets shall not have delivered to the Selling Debtor Entities prior to the Closing of the Sale, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, or releases of all Interests and/or Claims that the person or entity has with respect to the Acquired Assets, or otherwise, then (a) the Selling Debtor Entities are hereby authorized to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Acquired Assets and (b) the Buyers are hereby authorized to file, register, or otherwise record a certified copy of this order which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Interests and/or Claims in the Acquired Assets of any kind or nature whatsoever.

12. This order (a) shall be effective as a determination that, upon the Closing of the Sale, all Interests and/or Claims of any kind or nature whatsoever existing as to the Selling Debtor Entities or the Acquired Assets of the Selling Debtor Entities prior to the Closing of the Sale have been unconditionally released, discharged, and terminated (other than any surviving obligations), and that the conveyances described herein have been effected and (b) shall be binding upon and shall govern the acts of all entities including, but not limited to, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, United States governmental departments (whether federal or state), secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Acquired Assets.

13. All persons and entities, including, but not limited to, all debt security holders, equity security holders, United States Federal, state, and local governmental, tax, and regulatory authorities, lenders, trade creditors, and other stakeholders, holding Interests and/or Claims of any kind or nature whatsoever against or in the Selling Debtor Entities or the Acquired Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Sale Businesses, the Acquired Assets, the operation of the Sale Businesses by the Selling Debtor Entities prior to the Closing of the Sale, or the transfer of the Acquired Assets to the Buyers, hereby are forever barred, estopped, and permanently enjoined from asserting against the Buyers, their successors or assigns, their property, or the Acquired Assets, such persons' or entities' Interests and/or Claims. Nothing in this order or the Agreement

releases or nullifies any Liability to any United States federal, state, or local governmental agency under any environmental laws and regulations that any entity would be subject to as owner or operator of any Acquired Assets after the date of entry of this order. Nothing in this order or the Agreement bars, estops, or enjoins any United States federal, state, or local governmental agency from asserting or enforcing, outside the Court, any liability described in the preceding sentence. Notwithstanding the above, nothing herein shall be construed to permit any United States federal, state, or local governmental agency to obtain penalties from the Buyers for days of violation of environmental laws and regulations prior to Closing.

14. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Selling Debtor Entities to sell and transfer the Acquired Assets to the Buyers, in each case in accordance with the terms of the Agreement or this order.

Assumption And Assignment Of The Assigned Contracts To The Buyers

15. Pursuant to 11 U.S.C. § 365, and subject to and conditioned upon the Closing of the Sale, the Selling Debtor Entities' assumption and assignment to the Buyers, and the Buyers' assumption on the terms set forth in the Agreement, of the Assumed U.S. Contracts is hereby approved, and the requirements of 11 U.S.C. §§ 365(b)(1) and 365(f) with respect thereto are hereby deemed satisfied; provided, however, that in the event the effective date of the Plan occurs prior to the Closing of the Sale, then the Assumed U.S. Contracts shall be assumed pursuant to the Plan and assigned in accordance with 11 U.S.C. §§ 365 and 1123 and the provisions of this order pursuant to the terms set forth in the Agreement.

16. The Selling Debtor Entities are hereby authorized in accordance with 11 U.S.C. §§ 105(a), 363, and 365 to (a) assume and/or assign to the Buyers, effective upon the Closing of the Sale, the Assigned Contracts free and clear of all Interests and/or Claims of any kind or nature whatsoever and (b) execute and deliver to the Buyers such documents or other instruments as may be necessary to assign and transfer the Assigned Contracts and Assumed Liabilities to the Buyers.

17. The Assigned Contracts shall be transferred to, and remain in full force and effect for the benefit of, the Buyers in accordance with their respective terms, notwithstanding any provision in any such Assigned Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to 11 U.S.C. § 365(k), the Selling Debtor Entities shall be relieved from any further liability with respect to the Assigned Contracts after such assignment to and assumption of such contracts by the Buyers.

18. All defaults or other obligations of the Selling Debtor Entities under the Assigned Contracts arising or accruing prior to the Closing of the Sale (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) shall be cured by the Selling Debtor Entities either (i) at the Closing of the Sale or as soon thereafter as practicable or (ii) in the event the effective date of the Plan occurs prior to the Closing of the Sale, in accordance with the terms of the Plan, or absent an agreement as to the Cure Amount between the Selling Debtor Entities and the non-Debtor counterparty to an Assumed U.S. Contract, by order of this Court, in the amounts as set forth on Schedule 1 hereto, and the Buyers shall have no liability or obligation arising or accruing prior to the date of the Closing of the Sale, except as otherwise expressly provided in the Agreement. Cure shall be

payable only to the counterparty to any Assumed U.S. Contract. Each non-Debtor counterparty to any Assumed U.S. Contract shall be deemed to have consented to the assumption and assignment of the Assumed U.S. Contract to the Buyers and shall be forever barred, estopped, and permanently enjoined from asserting against the Selling Debtor Entities or the Buyers, or the property of any of them, any default existing, arising, or accruing as of the date of the Closing or any purported written or oral modification to such Assumed U.S. Contract. Each non-Debtor counterparty to any Assumed U.S. Contract shall be forever barred, estopped, and permanently enjoined from asserting against the Buyers (or its property, including the Acquired Assets) any claim, counterclaim, defense, breach, condition, or setoff asserted or assertable against the Debtors. The failure of the Selling Debtor Entities or the Buyers to enforce prior to the Closing of the Sale one or more terms or conditions of any Assigned Contracts shall not be a waiver of such terms or conditions or of the Selling Debtor Entities' or Buyers' rights to enforce every term and condition of any such Assigned Contracts. There shall be no rent accelerations, assignment fees, increases (including of rates), or any other fees or penalties charged to the Buyers as a result of the assumption and assignment of the Assumed U.S. Contracts.

Additional Provisions

19. The transactions contemplated by the Agreement, and the execution, delivery, transfer, and/or recordation of any and all documents or instruments necessary or desirable to consummate the transactions contemplated by the Agreement shall be, and hereby are, exempt from the imposition and payment of all stamp taxes or any other similar taxes pursuant to section 1146(c) of the Bankruptcy Code.

20. The consideration provided by the Buyers for the Acquired Assets under the Agreement is hereby deemed to constitute reasonably equivalent value and fair consideration

under the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, and the laws of the United States and any state, territory, or possession thereof, or the District of Columbia.

21. Upon the Closing of the Sale, this order shall be construed as and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Acquired Assets and Assigned Contracts or a bill of sale transferring good and marketable title in such Acquired Assets and Assigned Contracts to the Buyers pursuant to the terms of the Agreement.

22. Upon the Closing of the Sale, each of the Selling Debtor Entities' creditors is authorized and directed to execute such documents and take all other such actions as may be necessary to release their respective Interests and/or Claims against the Acquired Assets, if any, as such Interests and/or Claims may have been recorded or may otherwise exist.

23. Each and every United States federal, state, and local governmental agency or department, and any other person or entity, is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

24. All entities which are currently, or as of the Closing of the Sale may be, in possession of some or all of the Acquired Assets to be sold, transferred, or conveyed pursuant to the Agreement are hereby directed to surrender possession of the Acquired Assets to the Buyers upon the Closing of the Sale.

25. All entities holding Interests and/or Claims against or in the Selling Debtor Entities or the Acquired Assets of any kind or nature whatsoever shall be, and hereby are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such Interests and/or Claims of any kind or nature whatsoever against the Buyers, their property, their successors and assigns, or the Acquired Assets with respect to any Interest and/or Claim of any kind or nature whatsoever which such person or entity had, has, or may have against or in the Selling Debtor Entities, their estates, their officers, their directors, their shareholders, or the Acquired Assets. Following the Closing of the Sale, no holder of an Interest and/or Claim in or against the Selling Debtor Entities shall interfere with the Buyers' title to or use and enjoyment of the Acquired Assets based on or related to such Interest and/or Claim or any actions that the Selling Debtor Entities may take, or have taken, in their chapter 11 cases.

26. The transactions contemplated by the Agreement have been undertaken by the Buyers in good faith, as that term is used in the Bankruptcy Code, including but not limited to section 363(m) of the Bankruptcy Code or in similar applicable state law, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale of the Acquired Assets shall not affect the validity of the Sale to the Buyers, unless such authorization is duly stayed pending such appeal. The Buyers are purchasers in good faith of the Acquired Assets pursuant to section 363(m) of the Bankruptcy Code, and are entitled to all of the protections afforded by the Bankruptcy Code, including but not limited to section 363(m) of the Bankruptcy Code or by similar applicable state law.

27. The consideration provided by the Buyers for the Acquired Assets under the Agreement is fair and reasonable and the Sale may not be avoided under section 363(n) of the Bankruptcy Code.

28. The purchase price shall be and hereby is allocated between the Selling Debtor Entities and the non-Debtor Sellers as set forth on Schedule 3.6.1 of the Agreement.

29. The Selling Debtor Entities, including, but not limited to, their officers, employees, and agents, are hereby authorized to execute such documents and do such acts as are necessary or desirable to carry out the transactions contemplated by the terms and conditions of the Agreement and this order. The Selling Debtor Entities shall be, and they hereby are, authorized to take all such actions as may be necessary to effectuate the terms of this order.

30. Notwithstanding anything contained herein to the contrary, the term "Acquired Assets" as defined herein does not include property that is not property of the Selling Debtor Entities' estates or of the other Sellers, such as funds that are trust funds under any applicable state lien laws.

31. To the extent permitted by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any permit or license relating to the operation of the Acquired Assets sold, transferred, or conveyed to the Buyers on account of the filing or pendency of these chapter 11 cases or the consummation of the Sale.

32. The failure specifically to include or to reference any particular provision of the Agreement in this order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Agreement be authorized and approved in its entirety.

33. This Court retains exclusive jurisdiction to interpret, construe, enforce, and implement the terms and provisions of this order, the Agreement, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection

2.4.2 Efforts to Obtain Necessary Consents. At the applicable Buyer's request, the applicable Seller will, at its expense, use commercially reasonable efforts, and the applicable Buyer will, at its expense, cooperate with Sellers, to obtain the necessary Consents and to resolve the impracticalities of assignment referred to in Section 2.4.1 before or after the Closing Date. In the case of Contracts with third parties in those countries where local law requires consent of the counter-party to assign the obligations under a Contract, if such consent is obtained, Buyer shall execute an appropriate third party novation agreement with the third party and the appropriate Seller in order to effect a transfer of all rights and obligations under the relevant Contract in accordance with the terms of this Section 2.4.2.

A. If Consents Cannot be Obtained. To the extent that any Buyer is provided the benefits of any Deferred Item pursuant to Section 2.4, such Buyer will perform, on behalf of Sellers, for the benefit of the issuer thereof or the other party or parties thereto the obligations of Sellers thereunder or in connection therewith (including payment obligations) and if such Buyer fails to perform to the extent required herein, Sellers, without waiving any rights or remedies that they may have under this Agreement or applicable Laws, may suspend their performance under Section 2.4 in respect of the instrument which is the subject of such failure to perform unless and until such situation is remedied; or Sellers may perform at Buyer's sole cost and expense, in which case Buyer will reimburse Sellers' costs of such performance immediately upon receipt of an invoice therefor.

2.4.4 Standard of Care. Sellers will have no Liability to any Buyer arising out of the provision of the benefits of the Deferred Items other than for gross negligence or willful misconduct and will have no Liability for actions taken in accordance with the request or direction of Buyer Parent or its Affiliates. Buyers will reimburse Sellers and will hold Sellers harmless from and against all Liabilities, incurred or asserted as a result of Sellers' post-Closing direct or indirect ownership, management or operation of the Deferred Items.

This Advance Payment is intended to fund Delphi China Brake's Capital Expenditures in calendar year 2009 (reimbursing prior payments and funding future expenditures) prior to the Closing Date as set forth on Schedule 3.2 (which schedule also includes mutually agreed procedures relating to requests for, and payments of, Advance Payments), with the first portion of the Advance Payment paid to Delphi China Brakes following the date of the Sale Approval Order as set forth in the first sentence of this Section 3.2 and in Schedule 3.2. Subsequent payments will be made within two (2) Business Days following Buyer's receipt (but subject to Buyer's approval not to be unreasonably withheld or delayed and to be deemed received if Buyer fails to object in writing to any request within two (2) Business Days after receipt of a request) of additional requests in accordance with the procedures set forth as part of Schedule 3.2. If Delphi China Brakes' forecast Capital Expenditures prior to Closing exceeds \$7,000,000.00 and subject to Buyer's prior consent (not to be unreasonably withheld or delayed), Buyer shall, on the same terms and conditions, advance an additional \$1,000,000 (or such higher amount as is consistent with the forecast included as part of Schedule 3.2, if the Closing occurs after the second quarter of 2009, and in any case all such additional amounts shall for all purposes be considered a portion of the Advance Payment). As a condition to the advance of any portion of the Advance Payment, Buyer shall be satisfied that it has the equivalent of a fully perfected first priority blanket lien on only the assets acquired with the Advance Payment, in the form of a mortgage signed by Delphi China Brakes substantially in the form of Exhibit 3.2.1 and registered with the relevant Governmental Authority ("**China Mortgage**"). The Advance Payment, including any additional amounts paid to Delphi China Brakes in the event that Capital Expenditures exceeds \$7,000,000, shall be credited to Buyer as part of the Price Adjustments made at Closing, in accordance with Section 3.3.2 below. The Advance Payment will be repaid in RMB by Delphi China Brakes within ten (10) Business Days after any termination of this Agreement, and the China Mortgage released immediately thereafter.

3.2.2 After September 1, 2009, within two (2) Business Days following Buyer's receipt (but subject to Buyer Parent's approval not to be unreasonably withheld or delayed and to be deemed received if Buyer Parent fails to object in writing to any request within two (2) Business Days after receipt of a request) from the relevant local Seller of a request to make available to the Polish Seller or the U.K. Seller (as appropriate) amounts to reimburse the Polish Seller or the U.K. Seller (as appropriate) for Capital Expenditures incurred by them from and including September 1, 2009 through the Closing Date in respect of the Polish Business or the U.K. Business, Buyer Parent shall pay such amounts to the Polish Seller or the U.K. Seller in each case as an advance payment of part of the Price Adjustment allocable to the Acquired Assets, as appropriate, in Poland or the U.K. (in aggregate and consistent with the forecast included as part of Schedule 3.2, the "**Poland Payment**" or the "**U.K. Payment**", as applicable). Requests for and payment of any advance(s) of any portion of the Poland Payment and/or the U.K. Payment shall be made in

accordance with the agreed procedures set forth in Schedule 3.2. As a condition to the advance of any portion of the Poland Payment or the U.K. Payment, Buyer shall be satisfied that it has, or will have upon registration with the appropriate Governmental Authority, the equivalent of a fully perfected first priority lien on only those assets that have been acquired by the Polish Seller or the U.K. Seller (as appropriate) from and including September 1, 2009 and for which the relevant portion of the Poland Payment or the U.K. Payment, as applicable, will be used by the Polish Seller or the U.K. Seller as reimbursement to it for amounts expended in respect of such assets, such lien to be pursuant to the terms of a registered pledge (in Poland) and registered charge (in the U.K.) which is in each case substantially in the form of Exhibit 3.2.2.A in the case of a registered pledge (in Poland) or substantially in the form attached of Exhibit 3.2.2.B in the case of a registered charge (in the U.K.). The total Poland Payment and U.K. Payment shall be credited to Buyer as part of the Price Adjustment made at Closing, in accordance with Section 3.3.2 below. The Poland Payment and the U.K. Payment will be repaid in the currency advanced by the applicable Buyer within ten (10) Business Days after any termination of this Agreement, and the relevant pledges and/or charges released immediately thereafter.

3.3 Preliminary Purchase Price:

3.3.1 On the Closing Date and subject to the terms and conditions of this Agreement, in consideration of the sale of the Acquired Assets, Buyer Parent, on behalf of Buyers, will pay to Delphi or the Sellers designated by Delphi an amount equal to Seventy Million US Dollars (USD\$70,000,000.00) (plus the Deposit Amount, the “**Preliminary Purchase Price**”), subject to adjustment pursuant to Section 3.3.2. Without limiting Buyer's obligations under Section 3.2 or the amount of any Price Adjustment under Section 3.3.2(iv)(a), the estimated upward adjustment for Advance Payments under Section 3.3.2, assuming a Target Date Closing, approximates Eighteen Million US Dollars (USD \$18,000,000).

3.3.2 The Preliminary Purchase Price will be subject to a “**Price Adjustment**”, otherwise only for: (i) the difference between the Benchmark Inventory Amount and the Estimated Inventory Amount, as described in Section 3.5.1 below; (ii) an amount equal to the amount of Past Service Financial Obligations as of the Closing Date consistent with the Seller's current accounting methodology for such liabilities and Schedule 3.3.2; which shall result in a downward adjustment assuming a benchmark of \$0.00; (iii) the amount paid by Delphi to purchase leased engineering vehicles at Closing which vehicles shall be transferred to the Buyer at Closing which shall result in an upward adjustment; (iv) an amount equal to the sum of: (a) the aggregate amounts of the Advance Payments (China, U.K. and Poland); plus (b) the JAVE Payments outstanding at Closing, which will result in an upward adjustment (recognizing that pursuant to Sections 3.2 and 6.40 the foregoing amounts will have already been received by the applicable Seller, and that no additional cash will be paid by Buyer with respect thereto); (v) an amount equal to the Mexico Capital Expenditures paid by Seller on or after September 1, 2009 (or August 1, 2009 if the Sale fails to close by the Target Date for the reasons set forth in Section 3.3.2.A) which shall result in a upward adjustment; (vi) in the event that Capital Expenditures paid by Delphi in Mexico, the U.K. or Poland for the period from June 1, 2009 to August 31, 2009 is: (a) less than Pre-Closing Targeted Capex, a downward Price Adjustment would be made equal to the amount of such deficiencies; and (b) is more than Pre-Closing Targeted Capex, an upward Price Adjustment would be made equal to the amount of such excess; and (vii) the amount of the August Capital Expenditures would be an upward Price Adjustment, if applicable.

A. August Capital Expenditures. In the event that the Closing does not occur on or before the Target Date, an upward Price Adjustment equal to the aggregate amount of Capital Expenditures paid by Sellers pursuant to Schedule 3.2 during the month of August, 2009; only in the event that the Closing does not occur on or before the Target Date, as a result of: (y) a breach by Buyer which would entitle Seller to terminate this Agreement pursuant to Section 9.1.5; or (z) the failure to receive the Overseas Investment Project Approval on or before the Target Date (the “**August Capital Expenditures**”).

B. Pre-Closing Adjustment. Approximately thirty (30) days prior to the Closing Date, Delphi will prepare and deliver to Buyer Parent an estimate as of the Closing Date of the: (a) Inventory of the Business which shall be calculated using the methodology consistent with the preparation of the Closing Inventory Statement, as described in Section 3.4 below; provided, however, that such estimate shall be based on the inventory records of Seller (the “**Estimated Inventory Amount**”); (b) the amount of Past Service Financial Obligations (“**Estimated Past Service Financial Obligations**”); (c) the amount of any Price Adjustment for the matters referred to in clauses (iii) through (vii) above, including, with respect to the Mexico Capital Expenditures, the type of documentation as would have been required had Buyer funded such expenditure in accordance with the procedures set forth on Schedule 3.2; and (d) the aggregate amount of the upward or downward Price Adjustment to be made pre-Closing. If the aggregate pre-Closing Price Adjustment is a positive amount, then such amount shall increase the Preliminary Purchase Price by the amount of the positive number. If the pre-Closing Price Adjustment is a negative amount, then such amount shall decrease the Preliminary Purchase Price by the amount of the negative number.

C. Post-Closing Adjustment. After Closing, a true-up with respect to changes in Inventory, the Past Service Financial Obligations and the matters set forth in clauses (iv) thru (vii) of Section 3.3.2 (as well as the amount of any pro-rations under Section 3.7 which are not addressed at Closing) will occur in the manner described in Sections 3.3.2 and 3.4, but using the Estimated Inventory Amount, Estimated Past Service Financial Obligations and Estimated Mexico Adjustment from the pre-Closing Price Adjustment calculation as the base numbers instead of amounts from the Benchmark Inventory Amount and the \$0.00 benchmark for Past Service Financial Obligations.

3.4 Preparation of Closing Statement:

3.4.1 Within sixty (60) days after the Closing Date, Delphi will prepare and deliver to Buyer Parent a Closing Statement consisting of: (i) a Closing Inventory Statement; (ii) a statement as of the Closing Date of the amount of Past Service Financial Obligations; (iii) the matters set forth in clauses (iv) thru (vii) of Section 3.3.2; and (iv) the amount of any pro-rations under Section 3.7 which are not addressed at Closing. The Closing Inventory Statement will be based on a physical inventory of the Inventory of the Business, to be taken jointly by the Parties, consistent with past practice, the weekend prior to the Closing Date or such other date as Delphi and Buyer Parent shall agree. The calculation of the Estimated Inventory Amount and the Closing Inventory Amount shall be determined separately for each of the Ride Dynamics Business and Brake Business and shall utilize a methodology,

and accounting therefor, consistent with the methodology used in determining the Benchmark Inventory Amount (attached as Schedule 3.4.1) with the determination and valuation of E&O Inventory as defined in this Agreement. The calculation of the Past Service Financial Obligations shall utilize the methodology and accounting therefor consistent with the method used in determining the Estimated Past Service Financial Obligations. Documentation with respect to the matters set forth in clauses (iv) thru (vii) of Section 3.3.2 shall be provided in consistent with Schedule 3.2. Each Party's out-of-pocket costs associated with such physical inventory count will be borne separately by such Party. Buyers will, after Closing and pending agreement or final determination of the Closing Statement, allow Delphi and its Affiliates and their accountants, agents and advisers such access to the Business, all relevant employees and all relevant records, information and other documentation (and will, upon request, provide copies thereof) as is reasonably necessary to enable Sellers to prepare the Closing Statement and to settle the Final Closing Statement, including access to and the services of key personnel.

3.4.2 Buyer Parent will, within thirty (30) days after the delivery by Delphi of the Closing Statement, complete its review of such statement. If Buyer Parent disagrees with the Closing Statement, Buyer Parent will, on or before the last day of such thirty (30) day period, inform Delphi in writing (the "**Objection**") of disagreements which, individually or in the aggregate exceed \$100,000 (collectively, "**Relevant Items**"). The Parties agree that the Objection will not include objections to the valuation process used to arrive at the Closing Inventory Statement nor to the methodology for calculating the Past Service Financial Obligations unless Buyer can demonstrate that the valuation process used was inconsistent with the methodology set forth in Schedule 3.4.1 or Schedule 3.3.2, as applicable. Any Objection will specify in reasonable detail the nature of any disagreement so asserted, and include all supporting schedules, analyses, working papers and other documentation. If: (i) no such Objection has been timely provided to Seller; or (ii) the sum of all Relevant Items fails to exceed \$100,000, then: (a) the Closing Statement will be deemed to be the Final Closing Statement; and (b) Sellers' calculations will be final and binding on the Parties of all items therein.

3.4.3 If Buyer Parent delivers an Objection within the time period set forth in Section 3.4.2, then Delphi will have thirty (30) days following the date it receives the Objection to review and respond to the Objection. If Delphi and Buyer Parent are unable to resolve all of their disagreements with respect to the determination of the foregoing items by the fifteenth (15th) day following Delphi's response thereto, after having used their good faith efforts to reach a resolution, and the amount remaining in dispute exceeds \$100,000 they will refer their remaining differences to Grant Thornton (the "**CPA Firm**"), who will, acting as experts in accounting and not as arbitrators, determine on a basis consistent with the requirements of Section 3.4, and only with respect to the specific Relevant Items that remain in dispute, whether and to what extent, if any, the Closing Statement requires adjustment. For the avoidance of doubt, the CPA Firm will not review the valuation process used to arrive at the Closing Inventory Statement unless the Buyer Parent can show that the valuation process used was inconsistent with the methodology set forth in Schedule 3.4.1. Delphi and Buyer Parent will request the CPA Firm to use its commercially reasonable efforts to render its determination within thirty (30) days. In resolving any disputed item, the CPA Firm: (i) will be bound by the principles set forth in this Section 3.4 and Schedule 3.4.1; (ii) will limit its review to matters specifically set forth in the Objection that remain disputed; and (iii) will not assign a value to any item greater than the greatest value for such item claimed by either Party or less than the smallest value for such item claimed by either Party. The CPA Firm's determination will be conclusive and binding upon Delphi and Buyers.

Delphi and Buyers will make reasonably available to the CPA Firm all relevant books and records, any work papers (including those of the Parties' respective accountants subject to any conditions such accountants may impose) and supporting documentation relating to the Closing Inventory Statement, and all other items reasonably requested by the CPA Firm. The "**Final Closing Statement**" will be: (i) the Closing Statement if the Parties so agree or if so determined in accordance with Section 3.4.2; or (ii) if an Objection is made under Section 3.4.2, the Closing Statement, as adjusted pursuant to the agreement of the Parties, or as adjusted by the CPA Firm. The fees, costs and expenses of the CPA Firm under this Section 3.4.3: (i) will be borne by Buyer Parent in the proportion that the aggregate dollar amount of such disputed items so submitted that are unsuccessfully disputed by Buyer Parent (as finally determined by the CPA Firm) bears to the aggregate dollar amount of such items so submitted; and (ii) will be borne by Delphi in the proportion that the aggregate dollar amount of such disputed items so submitted that are successfully disputed by Buyers' Parent (as finally determined by the CPA Firm) bears to the aggregate dollar amount of such items so submitted. Whether any dispute is resolved by agreement among the Parties or by the CPA Firm, changes to the Closing Statement may be made only for items as to which Buyer Parent has specifically taken exception in the Objection. Except as set forth above, each Party will bear its own expenses incurred in this dispute resolution process, including fees of its accountants, attorneys and other agents.

3.5 Preliminary Purchase Price Adjustments:

3.5.1 Estimated Inventory Adjustment. If the Estimated Inventory Amount is less than (determined separately for the Ride Dynamics Business and the Brake Business) the Benchmark Inventory Amount, the Preliminary Purchase Price paid at Closing will be decreased by an amount equal to such deficiency. If the Estimated Inventory Amount is greater than (determined separately for the Ride Dynamics Business and the Brake Business) the Benchmark Inventory Amount, the Preliminary Purchase Price paid at Closing will be increased by an amount equal to the excess.

3.5.2 Final Price Adjustments. Following the determination of the Final Closing Statement:

A. Inventory. (i) The appropriate Seller of Inventory will pay to the appropriate Buyer an amount equal to any deficiency (determined separately for the Ride Dynamics Business and the Brake Business) between the amount of Inventory reflected on the Closing Inventory Statement (as set forth in the Final Closing Statement) and the Estimated Inventory Amount; or (ii) the appropriate Buyer will pay to the appropriate Seller of Inventory an amount equal to the amount by which the amount of Inventory reflected on the Closing Inventory Statement exceeds (determined separately for the Ride Dynamics Business and the Brake Business) the Estimated Inventory Amount, as applicable.

Notwithstanding the foregoing provisions of this Article 3, if any Acquired Assets are divested or sold in order to secure the Governmental Approvals contemplated by Section 6.17.1 in one or more transactions that would have impacted the Benchmark Inventory Amount, then the Benchmark Inventory Amount will be reduced to give effect to such divestiture or sale as if such divestiture or sale occurred prior to the determination of the Benchmark Inventory Amount. In that event, all calculations pursuant to this Section 3.5 will be effected using such adjusted Benchmark Inventory Amount.

B. Employee Liabilities. (i) The appropriate Seller will pay to the appropriate Buyer an amount equal to any deficiency if the Estimated Past Service Financial Obligations is less than the amount of Past Service Financial Obligations as of the Closing Date as reflected in the Final Closing Statement, with respect to the affected employees; or (ii) the appropriate Buyer will pay to the appropriate Seller an amount equal to any excess if the amount of Estimated Past Service Financial Obligations is greater than the amount of Past Service Financial Obligations as of the Closing Date as reflected in the Final Closing Statement with respect to the affected employees, as applicable.

C. Other Adjustments. If the aggregate estimated Price Adjustments pre-Closing for the matters set forth in clauses (iv) thru (vii) of Section 3.2.2 exceed the amount of the Price Adjustments for such matters as reflected in the Final Closing Statement, then Delphi will pay to the appropriate Buyer an amount equal to the excess; if the aggregate estimated Price Adjustments pre-Closing for the matters set forth in clauses (iv) thru (vii) of Section 3.2.2 are less than the Price Adjustment for such matters as reflected in the Final Closing Statement, then Buyer Parent will pay the appropriate Seller an amount equal to the deficit.

D. Pro-Rations. The Preliminary Purchase Price will be increased or decreased, as appropriate, for any pro-rations under Section 3.7.

E. Final Payment. The net deficiency or excess payment pursuant to this Section 3.5.2 will be paid in immediately available funds within thirty (30) days after the ultimate determination of the Final Closing Statement as provided in Section 3.4.

3.5.3 Purchase Price. The Preliminary Purchase Price (plus or minus all Price Adjustments) shall be referred to as the "**Purchase Price**".

3.6 Allocation of Purchase Price:

3.6.1 The Parties agree to allocate the Preliminary Purchase Price and all Price Adjustments among the Acquired Assets, for all purposes (including financial, accounting and tax purposes) (the "**Allocation**") in a manner consistent with the Allocation Schedule attached as Schedule 3.6.1.

3.6.2 Buyer Parent and Delphi will each report the federal, state and local income and other Tax consequences of the purchase and sale contemplated hereby in a manner consistent with the Allocation, including, if applicable, the preparation and filing of Forms 8594 under Section 1060 of the Code (or any successor form or successor provision of any future tax law and similar form with respect to Tax Returns in jurisdictions other than the U.S.) with their respective federal income Tax Returns for the taxable year which includes the Closing Date, and neither will take any position inconsistent with the Allocation unless otherwise required under applicable law. Delphi will provide Buyer Parent and Buyer Parent will provide Delphi with a copy of any information required to be furnished to the Secretary of the Treasury under Section 1060 of the Code and similar form with respect to Tax Returns in jurisdictions other than the U.S.

3.7 Pro-Rations:

3.7.1 To the extent that any Seller makes any payment relating to the Business prior to the Closing Date, with respect to any item listed in Section 3.7.2 below relating to periods on or after the Closing Date, as applicable, Buyer will reimburse such Seller for a portion of such payment equal to the amount paid by such Seller multiplied by a fraction the numerator of which is the number of days in the applicable billing period from and including the Closing Date, as applicable to the end of the billing period and the denominator of which is the entire number of days in the applicable billing period; and

5.7.2 Each Buyer acknowledges that it has made its own assessment of the present condition and the future prospects of the Business and is sufficiently experienced to make an informed judgment with respect thereto. Each Buyer acknowledges that neither Delphi nor any of its Affiliates has made any warranty, express or implied, as to the

prospects of the Business or its profitability for any Buyer, or with respect to any forecasts, projections or business plans prepared by or on behalf of Delphi and delivered to any Buyer in connection with Buyers' review of the Business and the negotiation and the execution of this Agreement.

5.10 No Brokers' Fees. Buyers have employed no finder, broker, agent or other intermediary in connection with the negotiation or consummation of this Agreement or any of the transactions contemplated hereby for which Sellers would be liable.

5.11 Compliance with Laws. Buyers are in compliance with all Laws applicable to Buyers, except with respect to those violations that could not reasonably be expected to result in the issuance of an order restraining, enjoining or otherwise prohibiting Buyer from consummating the transactions contemplated by this Agreement. Buyers recognize that the Acquired Assets listed on Schedule 4.4 are subject to export controls, and will not divert or otherwise use or make available any such Acquired Assets for military, nuclear, chemical, missile or biological weapons, activities, applications or end uses.

Seller will pay Cure Amounts as agreed to by Delphi and each party to an Assumed U.S. Contract or, absent such agreement, by order of the Bankruptcy Court in the time and manner specified by the Sale Approval Order. 6.4 Non-Competition:

6.4.1 Delphi undertakes and agrees with Buyer Parent that for a period of five (5) years after the Closing Date, except with the consent of Buyer Parent, Delphi will not, and will cause each Affiliate of Delphi to not, either on its own account or in conjunction with or on behalf of any person, firm or company, whether by sales, marketing or other activities, carry on or be engaged, whether as a shareholder, director, employee, partner or agent in carrying on any business which is engaged, whether directly or indirectly and whether wholly or partially, in the design, development, manufacture, remanufacture or sale of products competitive with the Products as carried on by the Business, at the Closing Date (a "**Competitive Business**"); provided, however, that the restrictions contained in this Section 6.4.1 will not prohibit, in any way: (i) the acquisition of a controlling interest or merger with any Person, or a division or business unit thereof, which is not primarily engaged in a Competitive Business, provided that Delphi will use commercially reasonable efforts to divest, as soon as practicable after such acquisition or merger, any portion of the Business of such Person that constitutes a Competitive Business, if the Competitive Business accounts for more than fifteen (15%) percent of the sales of the acquired business; (ii) the acquisition by Delphi or any of its Affiliated companies, directly or indirectly, of a non-controlling ownership interest in any Person or a division or business unit thereof, or any other entity engaged in a Competitive Business, if the Competitive Business accounts for fifteen (15%) percent or less of the sales or fifteen percent of the value of the acquired business at the date of such acquisition (whichever is greater); (iii) the acquisition by Delphi or any of its Affiliated companies, directly or indirectly, of less than five (5%) percent of the publicly traded stock of any Person engaged in a Competitive Business; (iv) provision of consulting services to, the license of any technology that Delphi or any Delphi Affiliate owns or has license to use to, or the financing (on its own behalf or on behalf of any other Person) of any Person, for the purpose of designing or manufacturing on behalf of Delphi or any Delphi Affiliate or selling to Delphi or any Delphi Affiliate components and parts for automotive applications provided that such components and parts are not in the nature of Products that would be produced by the Ride Dynamics Business or the Brake Business; (v) consistent with Delphi's troubled supplier practices, any direct or indirect activities of Delphi or any Delphi Affiliate to advise, operate, manage or finance a troubled supplier of Delphi or its Affiliates; (vi) the direct or indirect activities of Delphi or any Delphi Affiliate with respect to customer service support for Products manufactured prior to the Closing Date, including but not limited to recall or warranty obligations; (vii) the sale of Inventory, machinery, equipment or tooling related to other damper and brakes businesses in connection with the sale of such businesses to third parties or in connection with the wind-down of such businesses including but not limited to the sale of inventory to Tenneco pursuant to that certain Master Sale and Purchase Agreement between Delphi and Tenneco dated March 7, 2008; (viii) the clearance of the existing inventory or the purchase of inventory or parts from the Buyer after the consummation of the transactions contemplated by this Agreement to allow Delphi or its Affiliated companies to fulfill outstanding purchase orders and service parts obligations, including OEM parts for GM Holden and service parts obligations with respect to any of the Ford Bara, Ford Territory and/or Ford Wagon programs; or (ix) any of the following businesses or activities conducted by Delphi or any Affiliate, joint venture subsidiary or division of Delphi, and any natural extensions thereof as of the Closing Date (each of which will be deemed not to breach this Section 6.4.1): (a) any activity conducted using the Excluded Assets, including but not limited to the sale thereof; (b) the design, development, manufacture, remanufacture or sale of sub-components of the Products or modules or systems containing the Products; (c) the DPSS Activity; (d) Seller's effective non-controlling interest in the Gabriel de Mexico operation held through Seller's participation in the

6.4.2 Delphi further undertakes and agrees with Buyer Parent that for a period of five (5) years after the Closing Date, except with the consent of Buyer Parent, Delphi will not, and will cause each Affiliate of Delphi to not, either directly or indirectly through any third party, provide any Intellectual Property or consulting, designing, testing or manufacturing services to, or in any other way assist, any Person other than a Buyer in the operation of any Competitive Business. Buyer Parent hereby consents to Delphi providing technical assistance to General Motors and its designees pursuant to the Intellectual Property License Agreement dated September 6, 2007, as amended, and to KDAC, PBR, SMW and Bosch under licensing agreements.

6.4.3 In the event that the covenants contained in Section 6.4.1 are more restrictive than permitted by Law, the Parties agree that the covenants contained in Section 6.4.1 will be enforceable and enforced to the extent permitted by Law.

6.5 Tax Matters; Cooperation; Preparation of Returns; Tax Elections:

6.5.1 Delphi will be responsible for the preparation and filing of all Tax Returns for the Business for all periods ending on or prior to the Closing Date, including amended returns, applications for loss carryback refunds and applications for estimated tax refunds. Delphi will make all payments required with respect to any such Tax Return, except as may be prohibited by the Bankruptcy Code.

6.5.2 Buyers will be responsible for the preparation and filing of all Tax Returns for the Business for all periods beginning after the Closing Date, including amended returns, applications for loss carryback refunds and applications for estimated tax refunds. Buyer Parent will make all payments required with respect to any such Tax Return.

6.5.3 Buyer shall prepare and file all Tax Returns relating to property Taxes levied with respect to the Acquired Assets ("**Property Taxes**") for any taxable period that begins before the Closing Date and ends after the Closing Date (each such taxable period, a "**Straddle Period**"), whether imposed or assessed before or after the Closing Date other than Straddle Period Tax Returns that Seller is required to file by applicable law. Seller shall be liable for and shall indemnify Buyer, its Affiliates and each of their respective officers, directors, employees, stockholders, agents and representatives against all liability for the entire amount of Property Taxes levied for the Straddle Period multiplied by a fraction the numerator of which is the number of days in the Tax period ending on the Closing Date and the denominator of which is the number of days in the entire Tax period. Buyer shall be liable for and shall indemnify Seller, its Affiliates and each of their respective officers, directors, employees, stockholders, agents and representatives against all liability for the entire amount of Property Taxes levied for the Straddle Period multiplied by a fraction the numerator of which is the number of days in the Tax period beginning on the day following the Closing Date and the denominator of which is the number of days in the entire Tax period. Any credits relating to a Straddle Period shall be applied to the entire Straddle Period. All determinations necessary to give effect to the foregoing allocations shall be made in a manner that does not accelerate deductions or defer income. With respect to any

such Straddle Period returns or filings, the non-filing party shall pay to the filing party, not later than five (5) Business Days before the due date for payment of such Property Taxes levied for the Straddle Period, provided that the non-filing Party has received notice of the allocation at least ten (10) Business Days prior to the due date for payment under this Section 6.5.3, an amount equal to the portion of such Property Taxes levied for the Straddle Period for which the non-filing party is liable under this Section 6.5.3, and the filing party shall, promptly following the filing thereof, provide the non-filing party with a copy of such return or other filing and a copy of a receipt showing payment of any such Property Taxes levied for the Straddle Period. If notice of the allocation is not provided to the non-filing party at least fifteen (15) Business Days prior to the due date for payment under this Section 6.5.3, the non-filing party shall pay fifteen (15) days after receipt of notice, but shall have no liability if the payment is not made at least five (5) Business Days before the due date for payment of such Property Taxes levied for the Straddle Period. For any Property Tax Returns for the Straddle Period which the Seller was required by Law to file prior to the Closing, the Seller shall provide an allocation between Seller and Buyer of the Property Taxes reflected on such returns, applying this Section 6.5.3 and taking into account all payments made as of the Closing Date, as soon as practicable following Closing. The Party with a net liability to the other Party shall make a payment in settlement of the net liability within fifteen (15) days following the date on which the allocation is provided. Any payments under this Section 6.5.3 shall be treated as Purchase Price adjustments under Article 3.

6.5.4 Sellers and Buyers will use commercially reasonable efforts and cooperate in good faith to exempt the sale, conveyance, assignments, transfers, and deliveries to be made to the Buyers hereunder from any transfer, documentary, sales, use, registration, recording, stamp, value-added, China business, recapture and other such taxes (including all applicable real estate transfer taxes, but excluding any taxes based on or attributable to income or gains) and related fees (including notarial fees as well as any penalties, interest and additions to tax) ("**Transfer Taxes**") payable in connection with such sale, conveyance, assignments, transfers and, deliveries, to the extent provided in the Sale Approval Order, in accordance with Section 1146(c) of the Bankruptcy Code. If Bankruptcy Court approval is granted for such exemption, then any instrument transferring the Acquired Assets to the Buyers will contain the following endorsement:

Because this [instrument] has been authorized pursuant to Order of the United States Bankruptcy Court for the Southern District of New York relating to a chapter 11 plan of [Seller], it is exempt from transfer taxes, stamp taxes, or similar taxes pursuant to 11 U.S.C. § 1146(c).

To the extent not exempt under Section 1146 of the Bankruptcy Code and approved in the Sale Approval Order, such Transfer Taxes arising out of or incurred in connection with this Agreement will be borne solely by Buyers. The party that is legally required to file a Tax Return relating to Transfer Taxes will be responsible for preparing and timely filing such Tax Return. Buyer Parent will prepare the Transfer Tax returns for which Buyer Parent is responsible as soon as is practicable and provide Delphi with a copy to review. Delphi agrees to provide Buyer Parent with comments and the amount of transfer tax to be paid in sufficient time to enable Buyer Parent to timely file the return and pay the Transfer Tax.

6.5.5 Delphi and Buyer Parent will cooperate in connection with: (i) the preparation and filing of any Tax Return, Tax election, Tax consent or certification or any claim for a Tax refund; (ii) any determination of liability for Taxes; and (iii) any audit, examination or other proceeding in respect of Taxes related to the Business or the Acquired Assets. Such

cooperation includes direct access to accounting and finance personnel and books and records related to Taxes.

6.6 U.S. Employees; Benefit Plans; Labor Matters:

6.6.1 U.S. Employees. Seller and Buyer will collectively update Schedule 4.10.1 as of the day prior to the Closing Date:

A. Subject to Section 6.6.1.B, effective as of the Closing Date, the relevant Buyer will offer employment to all U.S. Employees with such new employment to commence (if accepted, whether by reporting to work or otherwise) with effect from the Closing Date.

B. For all U.S. Employees: (i) Buyers' offer of employment shall be on terms for compensation and benefits substantially comparable in the aggregate to those in place for Sellers' U.S. Employees immediately prior to the Closing Date; provided, however: (a) that only those benefit packages, payments or employer contributions that have been in effect for at least one (1) year and have not been suspended, delayed or terminated in any way, shall be included in the comparison; (b) notwithstanding the preceding clause (a), for purposes of such determination, any benefits under any stock option or equivalent plan, any defined benefit plan, any non-qualified deferred compensation plan or bonus arrangement and any post-termination of employer group health plan or other welfare benefits (other than continuation coverage of group health plan benefits under COBRA) shall be excluded; and (c) notwithstanding the preceding clause (a), for purposes of such determination, the company matching contributions (at the rate of fifty percent (50%) on a participant's elective deferrals of up to: (1) seven percent (7%) of compensation for a participant whose initial service date with Delphi Corporation is after September 30, 2008; or (2) nine percent (9%) of compensation for a participant whose initial service date with Delphi Corporation is on or before September 30, 2008) and the company profit sharing contributions (at the rate of four percent (4%) of a participant's compensation) under the Delphi Salaried Retirement Savings Program will be included in such determination; and (ii) Buyer will maintain Sellers' vacation policy in effect as of the Closing Date for a minimum period of twelve (12) months following the Closing Date except that, subject to Section 6.6.1D, Sellers will be responsible for all accrued, unused and unpaid vacation pay as of the Closing Date for all U.S. Employees who accept employment with Buyers ("**Transferred U.S. Employees**"). Prior to tendering such offers, Buyers will provide Sellers with information sufficient to satisfy Sellers (not to be unreasonably withheld) that such offers meet the "substantially comparable in the aggregate" requirement. For all such Transferred U.S. Employees, Buyers will maintain the requisite level of compensation and benefits (including the vacation policy described above) for a minimum of twelve (12) months following the Closing Date.

C. Seller will be responsible for claims for workers' compensation Liabilities related to injuries or illnesses incurred by Transferred U.S. Employees that arise before Closing; provided that, in the case of non-recurrent injuries, such claims are filed within eighteen (18) months after the Closing or within such shorter period as may apply under applicable Laws; and provided further that Claims for injuries arising from repetitive, work-related activities ("**Recurrent**

Injuries") (whether claimed before or after Closing) of Transferred U.S. Employees will be deemed to be Seller Liabilities only if filed with such Seller within twelve (12) months after Closing. All other such Liabilities will be the responsibility of Buyer.

D. At Closing, Seller will reimburse Buyer through an adjustment to the Preliminary Purchase Price for the pro rata share, including any associated employer payroll taxes (e.g., "FICA") of any vacation pay, profit sharing and incentive compensation accrued (and, with regard to vacation, not utilized) by the Transferred U.S. Employees prior to Closing in accordance with the applicable Seller Employee Benefit Plans and policies. The Seller's adjustment amount will be pro rated to reflect the number of days from January 1 to but excluding the date of Closing. Buyer will then recognize and deliver to the Transferred U.S. Salaried Employees any and all such accrued and unutilized vacation pay, profit sharing and incentive compensation due to the Transferred U.S. Employees in accordance with the applicable Seller Employee Benefit Plan and policies for the calendar year in which the Closing occurs. Credit for the provisions for US Employees will be provided in the overall credit for transferred employee obligations on Schedule 3.3.2, as modified in the post Closing Price Adjustments (Employee Purchase Price Adjustments) and shall be conclusive as to the amounts properly payable to each such Transferred U.S. Employee.

E. Seller will remain responsible for all employment rights of U.S. Employees incurred or vesting prior to the Closing Date.

6.6.2 Inactive U.S. Employees:

A. U.S. Employees who are not active employees as of the Closing Date ("**Inactive U.S. Employees**") due to disability, family medical leave or other approved leave of absence will remain Sellers' responsibility until such employee is ready to return to active employment in accordance with Sellers' leave policies.

B. When an Inactive U.S. Employee is ready to return to active status in accordance with Sellers' leave policies, Buyers will offer employment to such individual in accordance with Section 6.6.1 and, provided such individual accepts Buyers' offer of employment, such individual will be considered a Transferred U.S. Employee as of such date. In the event that an employee is seeking to return to active employment from a medical-based leave, such individual's fitness for active employment must be approved by both Sellers and Buyers; provided that such process does not violate any applicable Law.

C. If Sellers and Buyers do not agree as to an individual's fitness for active employment, the issue will be submitted to an independent medical evaluator, whose determination will be final and binding on the Parties. The cost of such independent medical evaluation will be shared equally by the Parties.

6.6.3 Employee Benefit Plans:

A. U.S. Employees' and their dependents' and beneficiaries' participation in and eligibility for benefits under the Seller Employee Benefit Plans (other than vested pension benefits) will cease as of the Closing Date.

Notwithstanding the preceding sentence, the Seller Employee Benefit Plans which are welfare plans as defined under ERISA will retain liability for all claims incurred by the U.S. Employees and their dependents and beneficiaries prior to the Closing Date, including claims which are not submitted until after the Closing Date. A claim will be deemed incurred, as applicable.

(i) On the date of the occurrence of death or dismemberment in the case of claims under life insurance and accidental death and dismemberment Seller Employee Benefit Plans;

(ii) On the date on which the service or treatment is provided in the case of claims under medical, hospital, dental and similar Seller Employee Benefit Plans; or

(iii) On the date immediately following a U.S. Employee's last day worked on which a physician legally licensed to practice medicine certifies to total disability under the applicable disability Seller Employee Benefit Plans.

B. Seller will remain solely responsible for and retain all Liabilities as to U.S. Employees under the Seller Employee Benefit Plans, except as otherwise provided in this Section 6.6.

C. Transferred U.S. Employees' and their dependents' and beneficiaries' participation in and eligibility for benefits under the Buyer Employee Benefit Plans will commence as of the Closing Date. As to any Buyer Employee Benefit Plans that are not considered as part of the "substantially comparable in the aggregate" analysis under Section 6.6.1.B, the date on which the Buyer Employee Benefit Plan becomes generally available to Buyer's other U.S. employees.

D. Buyer will recognize each Transferred U.S. Employee's pre-Closing length of service and credited service with Seller for eligibility and vesting purposes, but not benefit accrual purposes, with respect to Buyer's Employee Benefit Plans. However, in no case will credited service be recognized under this provision if such recognition will cause a duplication of compensation or benefits as between Sellers and Buyers.

6.6.4 Severance. Except with respect to the U.S. Employees who are terminated by the relevant Seller or any of its Affiliates prior to the Closing Date or who otherwise do not become Transferred U.S. Employees, neither Seller nor any of its Affiliates shall have any liability to any Transferred U.S. Employees for severance, redundancy, termination, or otherwise on or after the Closing Date. Buyer shall be responsible for any liability to any Transferred U.S. Employees in connection with the transactions contemplated by this Agreement, and if incurred by any Seller, all such costs will be immediately reimbursed by Buyer. Without limiting the foregoing, if a Buyer terminates the employment of a Transferred U.S. Employee during the twelve (12) month period following the Closing Date under circumstances that would have rendered such U.S. Employee eligible for severance benefits had such termination occurred prior to the Closing Date, Buyer shall provide such employee the greater of: (a) the severance benefits provided for under the terms of Seller's severance plan applicable as of the Closing Date, taking into account such U.S. Salaried Employee's

combined service with Buyer; or (b) the severance benefits under any applicable Buyers' severance plan or policy; and if severance costs are incurred by any Seller with respect to any Transferred U.S. Employee(s), all such costs will be immediately reimbursed by Buyer. If Seller is required to pay severance to non transferring U.S. Employees, Buyers are restricted from recruiting or hiring (directly or indirectly through a contract employment firm) such employees until the first anniversary of the Closing Date.

6.6.5 COBRA. Buyers will assume all obligations relating to compliance with the continuation health care coverage requirements of Code Section 4980B and Sections 601 through 608 of ERISA regarding qualifying events in regard to Transferred U.S. Employees arising from the transactions contemplated under this Agreement. Sellers will retain responsibility for all Liabilities, obligations, commitments, costs and expenses for claims of the U.S. Employees (or dependents thereof who become a "qualified beneficiary" within the meaning of Section 4980B(g)(1) of the Code) related to compliance with the requirements of continuation coverage under Section 4980B of the Code or Section 601 of ERISA or as the result of any "qualifying event" within the meaning of Section 4980B(f)(3) of the Internal Revenue Code which occurs prior to the Closing.

6.6.6 WARN Act. Sellers will retain all obligations and liabilities relating to WARN Act or other similar notice Laws, if any, by Transferred U.S. Employees arising on or before Closing from the transactions contemplated under this Agreement.

6.6.7 Cooperation. Sellers and Buyers will provide each other with such records and information as may be reasonably necessary, appropriate and permitted under applicable Law to carry out their obligations under this Section 6.6.

6.6.8 Union and Works Council Notifications. Sellers and Buyers will reasonably cooperate in connection with any notification required by Law to, or any required consultation with, or the provision of documents and information to, the employees, employee representatives, work councils, unions, labor boards and relevant Governmental Authority concerning the transactions contemplated by this Agreement.

6.6.9 401(k) Plans. To the extent allowed under applicable Law, U.S. Employees who become eligible for a distribution of their account balances in the Seller's Salaried Retirement Savings Program (a 401(k) plan) will be permitted, at their discretion, and subject to Buyer's approval, to transfer such account balances to Buyer's defined contribution plan. The manner of such transfer will be a direct rollover, and the Buyer may prohibit the transfer of any participant loan balance.

Seller or its Affiliates will reimburse Buyer for the reasonable out-of-pocket expenses incurred in connection with any request by Seller to make available records pursuant to the foregoing sentence. In the event Buyer wishes to destroy or dispose of such books and records after five (5) years from the Closing Date, as applicable, it will first give not less than ninety (90) days' prior written notice to Seller, and Seller will have the right, at its option, upon prior written notice given to Buyer within sixty (60) days of receipt of Buyer's notice, to take possession of said records within ninety (90) days after the date of Buyer's notice to Seller hereunder.

6.13.2 Buyers will, at the reasonable request of Sellers, cooperate fully with Sellers in providing Sellers and their Affiliates (as appropriate) (to the extent possible through Global Sale Employees) with technical assistance and information in respect of any claims brought by or against Sellers and their Affiliates involving the conduct of the Business prior to the Closing Date, including consultation and/or the appearance(s) of such persons on a reasonable basis as expert or fact witnesses in trials or administrative proceedings. keep confidential documents and records that are confidential or are subject to trade secret protection); (iii) promptly respond to discovery requests in connection with such claim, understanding and acknowledging that the requirements of discovery in connection with litigation require timely responses to interrogatories, requests to produce and depositions and also understanding and acknowledging that any delays in connection with responses to discovery may result in sanctions; (iv) make available, as may be reasonably necessary and upon reasonable advance notice and for reasonable periods so as not to interfere materially with Buyers' business, mutually acceptable engineers, technicians or other knowledgeable individuals to assist Sellers and their Affiliates in connection with such claim, including investigation into claims and occurrences described in this section and preparing for and giving factual and expert testimony at depositions, court proceedings, inquiries, hearings and trial; and (v) make available facilities and exemplar parts for the sole and limited use of assisting Sellers and their Affiliates in the contest or defense.

6.14.2 After such one hundred eighty (180) day period, Buyers will neither use nor permit the Business to use the name "Delphi" and any trademarks, trade names, brandmarks, brand names, trade dress, labels, containers or logos relating or confusingly similar (including on any signs, billboards, advertising materials, telephone listings, web sites, labels, stationery, office forms, packaging or other materials) in connection with the Business or otherwise.

6.14.3 Each of the Parties acknowledges and agrees that the remedy at Law for any breach of the requirements of this Section 6.14 would be inadequate, and agrees and consents that without intending to limit any additional remedies that may be available, temporary and permanent injunctive and other equitable relief may be granted without proof of actual damage or inadequacy of legal remedy in any Proceeding which may be brought to enforce any of the provisions of this Section 6.14.

6.15 Intellectual Property and Intellectual Property Licenses:

6.15.1 License to Buyers. At Buyer's request, Delphi has agreed to sign a License Agreement substantially in the form of Exhibit 8.4.12 (the "**Seller IP License Agreement**") to grant a license to the Shared Intellectual Property subject to rights granted prior to the Closing Date, as set forth in Schedule 6.15.1. Any breach of a representation and warranty in the Seller IP License Agreement shall be treated as if it were a breach of Section 4.11 of this Agreement for purposes of indemnification under Article 11; provided, however that this

Agreement governs over any defined terms used or defined in the Seller IP License Agreement that are inconsistent or otherwise different than defined terms contained in this Agreement.

6.15.2 License to Sellers. Buyer Parent, on behalf of itself and its Affiliates, hereby grants to Seller as of the Closing Date, a worldwide, perpetual, paid-up, royalty free, non-exclusive license to develop, manufacture, use, import, export, offer to sell and sell products and services of the type provided by Sellers and their Affiliates as of the Closing Date (other than the Products), and to reproduce, prepare derivative works, distribute copies, perform and display copyrighted works in connection therewith, using any Purchased Intellectual Property, subject to any restrictions existing prior to the Closing Date.

6.15.3 Right to Sublicense. The licenses granted, or to be granted pursuant to this Section 6.15: (i) include the right for the licensed party to sub-license to any of its Affiliates, to its and their successors, and to suppliers, customers to the extent of the license granted in this Section 6.15; (ii) do not include any right to use any Trademark Rights; and (iii) are subject to any restrictions existing prior to the Closing Date.

6.15.4 Shared Intellectual Property. Each Seller agrees that it will not transfer or assign its rights to the Shared Intellectual Property to any third party unless such third party: (i) is informed of and agrees to accept such transfer or assignment subject to the license granted herein; and (ii) agrees that any subsequent transfer or assignment will be subject to a similar restriction on future transfers and assignments.

6.16 Post-Closing Obligations. Buyers agree to take all commercially reasonable actions necessary to cause Delphi and its Affiliates to be absolutely and unconditionally relieved on or prior to the Closing Date of all Liabilities and obligations arising on or after Closing out of the letters of credit, performance bonds and other similar items issued and outstanding in connection with the Business as listed on Schedule 6.16, and Buyers will indemnify Delphi and its Affiliates against any Losses arising on or after Closing of any kind whatsoever with respect to such Liabilities and obligations.

6.17 Competition and Other Regulatory Clearance:

6.17.1 Subject to the terms hereof, Buyers and Delphi agree to cooperate and to use all commercially reasonable efforts to obtain, as promptly as practicable following the date hereof, any Governmental Approvals required, or to the extent applicable, to ensure that any applicable waiting period by law has elapsed for the parties to be able to proceed with the Closing under the HSR Act, EC Merger Regulation, FINSA and any other applicable Competition/Investment Law, to respond to any government requests for information thereunder, to contest and resist in good faith any action that would have the effect of restricting, preventing or prohibiting the transactions contemplated hereby, and to have lifted or overturned any Governmental Order that restricts, prevents or prohibits the consummation of the transactions contemplated by this Agreement; in this respect, Buyers shall pay all applicable fees, and Buyers and Sellers, if required or appropriate, shall prepare and submit a joint notice and will make (or continue to prosecute, if made previously): (a) the FINSA filing no more than thirty (30) days after the date of this Agreement; and (b) all the competition filings set forth in Schedule 6.17.1 no more than five (5) Business Days after the date of the Sale Approval Order; and Buyer Parent will: (i) promptly inform Delphi of all oral and written communications with any Governmental Authority in respect of any required Governmental Approval; (ii) give Delphi the opportunity to comment on all filings and any

response prepared by Buyers prior to Buyers' submitting such filings or response to the relevant Governmental Authority; and (iii) afford Delphi or any Seller designated by Delphi the opportunity to attend any meetings, telephone conferences or video conferences organized with the Governmental Authorities in relation to any required Governmental Approval. Notwithstanding the foregoing, the Parties agree that neither of them will make any voluntary filing under applicable foreign antitrust laws or regulations unless advised by legal counsel in such jurisdiction that the failure to make a filing could result in a material adverse effect that denies any of Sellers or Buyers the benefit of its bargain under this Agreement or where such failure would otherwise be in violation of applicable Law. Each party hereto will promptly inform the other of any oral or other communication from any Governmental Authority regarding any of the transactions contemplated by this Agreement and the Ancillary Agreements. If the Governmental Authority in any such country: (i) imposes conditions upon its approval of the transactions contemplated by this Agreement; or (ii) files a Proceeding before a Governmental Agency seeking to restrain or prohibit, or to obtain damages or other relief in connection with, the consummation of the transactions contemplated by this Agreement, the Parties will take commercially reasonable steps to negotiate with the Governmental Authority regarding, and comply with, any conditions or modifications requested by such Governmental Authority, consistent with the general intention of this Agreement (that ownership of the Business will be vested in the Buyers and the Acquired Assets will be transferred to the Buyers). Such compliance may require modifications in structure, economic and other relationships. Each Party will bear its own costs and expenses incurred in negotiating and agreeing to the required conditions or modifications with the Governmental Authorities; except that in the case of any FINSA filing, Buyer Parent will reimburse all of Seller's out-of-pocket (i.e., excludes Seller's internal costs) costs associated with any such negotiations or agreements and other assistance in connection therewith, or with preparation for such filing, such amounts to be billed and paid monthly on a non-refundable basis (including attorneys' fees and other professional advisors' fees, recognizing that with respect to preparation of the initial FINSA filing, Seller plans to use outside counsel only in an advisory and review capacity).

Provided the terminating Party is not in material breach of its obligations under this Agreement, if the Bankruptcy Court has not entered the Sale Approval Order, on or before the date that is one hundred twenty (120) days after the date of this Agreement, or if such Sale Approval Order is subject to a stay or injunction on such date.

9.1.3 Provided that Buyer is not in material breach of its obligations under this Agreement, at any time prior to Closing, if a Material Adverse Effect has occurred, Buyer may terminate this Agreement within ten (10) Business Days after becoming aware of such event so long as such event is continuing at the time of any such termination and not reasonably capable of being cured within one hundred twenty (120) days after entry of the Sale Approval Order or the date of this Agreement, whichever is later.

9.1.4 By Buyer Parent, upon written notice to Delphi and provided that Buyer Parent is not then in material breach of any representation, warranty, covenant or other agreement contained in this Agreement, if Delphi or any Seller has materially breached or materially failed to perform (without taking into account any additional materiality for representations, warranties, and covenant already containing a "materiality" or "Material Adverse Effect" qualification therein) any of its representations, warranties, covenants or other agreements contained in this Agreement if such material breach or failure to perform: (x) is not cured within thirty (30) days after written notice thereof or, in the case where the date or period of time specified for performance has lapsed, promptly following written notice thereof from the non-breaching party; or (y) is incapable of being cured by Delphi or any Seller.

9.1.5 By Delphi, upon written notice to Buyer Parent and provided that Delphi is not then in material breach of any representation, warranty, covenant or other agreement contained in this Agreement, if the Buyer Parent or any Buyer has breached or failed to perform in any material respect any of its obligations or covenants contained in this Agreement (including under the Bidding Procedures), and such breach or failure to perform: (i) is not cured within thirty (30) days after written notice thereof or, in the case where the date or period of time specified for performance has lapsed, promptly following written notice thereof from the non-breaching party; or (ii) is incapable of being cured by Buyer Parent or any Buyer.

9.2 Break-Up Fee:

9.2.1 In the event that Delphi sells, transfers, leases or otherwise disposes, directly or indirectly, including through an asset sale, stock sale, merger or other similar transaction, of all or substantially all of the Business or the Acquired Assets in a transaction or a series of transactions with one or more Parties other than Buyer Parent or its Affiliates (such event being an “**Alternative Transaction**”) and this Agreement is terminated pursuant to Sections 9.1.2.A, 9.1.2.B, 9.1.2.D, 9.1.3 or 9.1.4 and an Alternative Transaction is consummated within eighteen (18) months after termination of this Agreement, Delphi will, upon the consummation of the Alternative Transaction(s), pay to Buyer Parent an amount equal to Two Million Nine Hundred Forty Thousand Dollars (\$2,940,000.00) (the “**Break-Up Fee**”), provided that: (x) Buyer is not in material breach of this Agreement or the Bidding Procedures; and (y) this Agreement is not terminable under Section 9.1.2.C.

9.2.2 If Buyer Parent becomes entitled to receive any Break-Up Fee, then such Break-Up Fee will be the sole and exclusive remedy of Buyers, whether at law or in equity, for any breach by Delphi or any of its Affiliates of the terms and conditions of this Agreement; provided that Buyer Parent will also be entitled to: (x) the return of the Deposit Amount; (y) the repayment of the Advance Payments pursuant to Section 3.2; and (z) the repayment of the JAVE Payments pursuant to Section 6.40.

9.3 Procedure and Effect of Termination. In the event of the termination of this Agreement and the abandonment of the transactions contemplated hereby pursuant to Section 9.1, written notice thereof will forthwith be given to all other Parties. If this Agreement is terminated and the transactions contemplated by this Agreement are abandoned as provided herein:

9.3.1 Buyers will redeliver to Sellers all documents, work papers and other material of any of Sellers relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof;

9.3.2 The provisions of the Confidentiality Agreement and any supplemental agreements relating to sensitive data will continue in full force and effect;

9.3.3 The following sections of this Agreement will survive any termination of this Agreement and remain in full force and effect: (i) Article 9 (Termination); and (ii) Sections 3.1 (Deposit Amount), 3.2 (Advance Payments), 6.40 (JAVE Funding), 12.1 (Fees and Expenses), 12.5 (Assignment), 12.7 (Notices), 12.8 (Entire Agreement), 12.10 (Publicity), 12.14 (Governing Law) and 12.15 (Venue and Retention of Jurisdiction); and

9.3.4 No party to this Agreement will have any Liability under this Agreement to any other except: (i) that nothing herein will relieve any party from any Liability for any breach of any of the representations, warranties, covenants and agreements set forth in this Agreement occurring before such termination, and, except as provided by Section 9.2.2 above, no Party waives any Claim with respect thereto; and (ii) as contemplated by Section 9.3.3 above.

10. BIDDING PROCEDURES:

10.1 Delphi Initial Bankruptcy Actions. This Article 10 sets forth the bidding procedures (the "**Bidding Procedures**") to be employed with respect to the Agreement and the Sale of the Acquired Assets. The Sale is subject to competitive bidding as set forth herein and approval by the Bankruptcy Court in the Bidding Procedures Order and Sale Approval Order. The following overbid provisions and related bid protections are designed to compensate Buyers for their efforts and agreements to date and to facilitate a full and fair process (the "**Bidding Process**") designed to maximize the value of the Acquired Assets for the benefit of Sellers' and their Affiliates' creditors, shareholders and bankruptcy estate.

10.2 Qualified Bidder. Unless otherwise ordered by the Bankruptcy Court, for cause shown, or as otherwise determined by Sellers in their sole discretion, in order to participate in the Bidding Process, each Person (a "**Potential Bidder**"), other than Buyer, must deliver (unless previously delivered) to Delphi, its counsel, its in-house counsel, and its financial advisors at the addresses provided in Section 10.3:

10.2.1 An executed Confidentiality Agreement in form and substance satisfactory to Delphi;

10.2.2 Current audited financial statements of the Potential Bidder, or, if the Potential Bidder is an entity formed for the purpose of acquiring the Acquired Assets and the Business, current audited financial statements of the equity holders of the Potential Bidder who will guarantee the obligations of the Potential Bidder, or such other form of financial disclosure and credit-quality support or enhancement acceptable to Delphi and its financial advisors; and

10.2.3 A preliminary (non-binding) written proposal regarding: (i) the purchase price range; (ii) any assets and/or equity interests expected to be excluded; (iii) the structure and financing of the transaction (including, but not limited to, the sources of financing for the purchase price and all requisite financial assurance); (iv) any anticipated regulatory approvals required to close the transaction, the anticipated time frame and any anticipated impediments for obtaining such approvals; (v) any conditions to closing that it may wish to impose in addition to those set forth in this Agreement; and (vi) the nature and extent of additional due diligence it may wish to conduct and the date by which such due diligence will be completed.

A Potential Bidder that delivers the documents described in the previous subparagraphs above and whose financial information and credit-quality support or enhancement demonstrate the financial capability of the Potential Bidder to consummate the Sale and perform post-Closing, if selected as a successful bidder, and that Delphi determines in its sole discretion is likely (based on availability of financing, experience and other considerations) to be able to consummate the Sale within the time frame provided by this Agreement will be deemed a "**Qualified Bidder**". As promptly as practicable, after a Potential Bidder delivers all of the

materials required above, Delphi will determine, and will notify the Potential Bidder, if such Potential Bidder is a Qualified Bidder. At the same time that Delphi notifies the Potential Bidder that it is a Qualified Bidder, Delphi will allow the Qualified Bidder to begin to conduct due diligence with respect to the Acquired Assets and the Business as provided in Section 10.4 below. Buyer Parent will be deemed a Qualified Bidder for purposes of the Bidding Process.

10.3 Bid Deadline. A Qualified Bidder that desires to make a bid will deliver written copies of its bid to: Delphi Automotive Systems LLC, 5725 Delphi Drive, Troy, Michigan 48098 Attention: Director, Mergers & Acquisitions, with copies to: (i) Delphi's counsel, Skadden, Arps, Slate, Meagher & Flom LLP, at 333 West Wacker Drive, Chicago, Illinois 60601-1285, Attention: Ron E. Meisler; (ii) Delphi's in-house counsel, Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098, Attn: Deputy General Counsel – Transactional & Restructuring; (iii) Delphi's financial advisor, W.Y. Campbell & Company, One Woodward Avenue, 26th Floor, Detroit, Michigan 48326; Attn: _____; (iv) counsel to the official committee of unsecured creditors appointed in the Bankruptcy Cases (the "**Committee**"), Latham & Watkins LLP, 885 Third Avenue, New York, New York 10022, Attention: Mark A. Broude; and (v) counsel for the agent under Delphi's postpetition credit facility, Davis Polk & Wardwell, 450 Lexington Avenue, New York, New York 10017, Attention: Donald S. Bernstein and Brian Resnick; so as to be received not later than 11:00 A.M. (EST), on a date to be determined by Delphi that is at least five (5) Business Days before the date of the Sale Hearing (the "**Bid Deadline**"). Delphi may extend the Bid Deadline once or successively, but is not obligated to do so. If Delphi extends the Bid Deadline, it will promptly notify all Qualified Bidders (including Buyer Parent) of such extension. As soon as reasonably practicable following receipt and qualification of each Qualified Bid, Sellers will deliver complete copies of all items and information enumerated in the section below entitled "Bid Requirements" to counsel for the Official Committee of Equity Security Holders (the "**Equityholders' Committee**").

10.4 Due Diligence. Delphi will afford each Qualified Bidder due diligence access to the Acquired Assets and the Business. Due diligence access may include Management Presentations as may be scheduled by Delphi, access to data rooms, on site inspections and such other matters which a Qualified Bidder may request and as to which Delphi, in its sole discretion, may agree. Delphi will designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from Qualified Bidders. Any additional due diligence will not continue after the Bid Deadline. Delphi may, in its discretion, coordinate diligence efforts such that multiple Qualified Bidders have simultaneous access to due diligence materials and/or simultaneous attendance at Management Presentations or site inspections. Neither Delphi nor any of its Affiliates (nor any of their respective representatives) will be obligated to furnish any information relating to Acquired Assets and the Business to any Person other than to Qualified Bidders who make an acceptable preliminary proposal.

10.5 Bid Requirements. All bids must include the following documents (the "**Required Bid Documents**"):

10.5.1 A letter stating that the bidder's offer is irrevocable until two (2) Business Days after the Closing of the Sale of the Acquired Assets.

10.5.2 An executed copy of this Agreement, together with all Schedules and Exhibits to this Agreement (a "**Marked Agreement**"), marked to show those amendments and modifications to such agreement that the Qualified Bidder proposes, including the Preliminary Purchase Price (as defined in this Agreement).

10.5.3 A good faith deposit (the “**Good Faith Deposit**”) in the form of a certified bank check from a U.S. bank or by wire transfer (or other form acceptable to Delphi in its sole discretion) payable to the order of Delphi (or such other party as Delphi may determine) in an amount equal to at least Twenty Million Dollars (\$20,000,000.00).

10.5.4 Written evidence of a commitment for financing or other evidence of ability to consummate the proposed transaction satisfactory to Delphi and its advisors.

10.6 Qualified Bids. A bid will be considered only if the bid:

10.6.1 Is not conditioned on obtaining financing or on the outcome of unperformed due diligence by the bidder.

10.6.2 Proposes a transaction on terms and conditions (other than the amount of the consideration and the particular liabilities being assumed) that Delphi determines, in its sole but reasonable discretion, are similar to, and are not materially more burdensome or conditional than the terms of the Agreement and that has a value, either individually or, when evaluated in conjunction with any other Qualified Bid, greater than or equal to the sum of the Preliminary Purchase Price plus the amount of the Break-Up Fee plus the aggregate amount of the Advance Payment, plus: (i) in the case of the initial Qualified Bid, \$1,000,000; and (ii) \$500,000 in the case of any subsequent Qualified Bids, over the immediately preceding highest Qualified Bid.

10.6.3 Is not conditioned upon: (i) any bid protections, such as a break-up fee, termination fee, expense reimbursement or similar type of payment; and (ii) or such bid being deemed the Successful Bid by the Sellers.

10.6.4 Includes an acknowledgement and representation that the bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Acquired Assets prior to making its offer; (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Acquired Assets in making its bid; and (iii) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Acquired Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Agreement or the Marked Agreement.

10.6.5 Includes a commitment to consummate the purchase of the Acquired Assets (including the receipt of any required Governmental Approvals) within not more than fifteen (15) days after entry of an order by the Bankruptcy Court approving such purchase, subject to the receipt of any Governmental Approvals which must be obtained within sixty (60) days after entry of such order.

10.6.6 Is received by the Bid Deadline.

A bid received from a Qualified Bidder will constitute a “**Qualified Bid**” only if it includes all of the Required Bid Documents and meets all of the above requirements; provided, however, that Delphi will have the right, in its sole discretion, to entertain bids for the Acquired Assets that do not conform to one or more of the requirements specified in Section 10.6 and deem such bids to be Qualified Bids, including bids for a portion of the Acquired Assets (e.g., Ride Dynamics Business or Brake Business). Notwithstanding the foregoing, Buyer Parent will be deemed a

Qualified Bidder, and the Agreement will be deemed a Qualified Bid, for all purposes in connection with the bidding process, the Auction, and the Sale. A Qualified Bid will be valued based upon factors such as the net value provided by such bid and the likelihood and timing of consummating such transaction. Each Qualified Bid other than that of Buyer Parent is referred to as a “**Subsequent Bid**”. If Delphi does not receive any Qualified Bids other than the Agreement received from Buyer Parent, Delphi will report the same to the Bankruptcy Court and will proceed with the Sale pursuant to the terms of this Agreement.

10.7 Bid Protection. Recognizing Buyer Parent's expenditure of time, energy and resources, Delphi has agreed to provide certain bidding protections to Buyer Parent. Specifically, Delphi has determined that the Agreement will further the goals of the Bidding Procedures by setting a floor that all other Potential Bids must exceed. As a result, Delphi has agreed that if Delphi does not close with Buyer Parent because Delphi consummates an Alternative Transaction and Buyer Parent is not in breach of the Agreement or the Bidding Procedures, Delphi will pay to Buyer Parent the Break-Up Fee to the extent required under Section 9.2.1 hereof. The payment of the Break-Up Fee will be governed by the provisions of the Agreement and the order of the Bankruptcy Court approving the Bidding Procedures.

10.8 Auction, Bidding Increments and Bids Remaining Open. If Delphi receives at least one (1) Qualified Bid in addition to the Agreement, Delphi will conduct an auction (the “**Auction**”) of the Acquired Assets and the Business upon notice to all Qualified Bidders who have submitted Qualified Bids at 10:00 a.m. EST on or before the tenth (10th) Business Day following the expiration of the Bid Deadline, at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, 333 West Wacker Drive, Chicago, Illinois 60601-1285 or Four Times Square, New York, New York 10036 (at Delphi's election) or such later time or other place as Delphi will notify all Qualified Bidders who have submitted Qualified Bids (but in no event later than the second (2nd) Business Day prior to the Sale Hearing), in accordance with the following procedures. In the event that Delphi does not receive any Qualified Bids prior to the Bid Deadline, the Auction shall be deemed to have occurred on the Bid Deadline and Buyers shall be deemed the successful bidder for the Acquired Assets:

10.8.1 Only Delphi, Buyer Parent, any representative of the Committee and the Equityholders' Committee, any representative of Delphi's secured lenders (and the legal and financial advisers to each of the foregoing), and any Qualified Bidder who has timely submitted a Qualified Bid will be entitled to attend the Auction, and only Buyer Parent and the other Qualified Bidders will be entitled to make any subsequent Qualified Bids at the Auction.

10.8.2 At least two (2) Business Days prior to the Auction, each Qualified Bidder who has timely submitted a Qualified Bid must inform Delphi whether it intends to participate in the Auction and at least one (1) Business Day prior to the Auction, Delphi will provide copies of the Qualified Bid or combination of Qualified Bids which Delphi believes is the highest or otherwise best offer going into the Auction to all Qualified Bidders who have informed Delphi of their intent to participate in the Auction. Notwithstanding such determination, Delphi reserves the right, in its sole discretion, to determine which bid, or subsequent bid, is the Successful Bid (as defined below), following the conclusion of the Auction based upon a number of factors and other considerations.

10.8.3 All Qualified Bidders will be entitled to be present for all Subsequent Bids with the understanding that the true identity of each bidder will be fully disclosed to all other

bidders and that all material terms of each Subsequent Bid will be fully disclosed to all other bidders throughout the entire Auction.

10.8.4 Sellers may employ and announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make Subsequent Bids) for conducting the Auction, provided that such rules are not inconsistent with these Bidding Procedures, the Bankruptcy Code or any order of the Bankruptcy Court entered in connection herewith.

10.8.5 Bidding at the Auction will begin with the highest or otherwise best Qualified Bid or combination of Qualified Bids and continue in minimum increments of at least \$500,000 higher than the previous bid or bids. The Auction will continue in one or more rounds of bidding and will conclude after each participating bidder has had the opportunity to submit an additional Subsequent Bid with full knowledge and written confirmation of the then-existing highest bid or bids. For the purpose of evaluating the value of the consideration provided by Subsequent Bids (including any Subsequent Bid by Buyer Parent), Delphi may give effect to any Break-Up Fee that may be payable to Buyer Parent under the Agreement as well as any assets and/or equity interests to be retained by any Seller.

10.8.6 At the conclusion of the Auction, or as soon thereafter as practicable, Sellers, in consultation with its financial advisors, will: (i) review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the sale; and (ii) identify the highest or otherwise best offer(s) for the Acquired Assets and the Business received at the Auction (the “**Successful Bid(s)**” the bidder(s) making such bid, the “**Successful Bidder(s)**”).

10.9 Acceptance of Qualified Bids. Sellers will sell the Acquired Assets for the highest or otherwise best Qualified Bid, as determined by Delphi, upon the approval of such Qualified Bid by the Bankruptcy Court after the hearing (the “**Sale Hearing**”). If, after an Auction in which Buyer Parent: (i) will have bid an amount in excess of the consideration presently provided for in the Agreement with respect to the transactions contemplated under the Agreement; and (ii) is the Successful Bidder, it will, at the Closing under the Agreement, pay, in full satisfaction of the Successful Bid, an amount equal to: (a) the amount of the Successful Bid; less (b) the Break-Up Fee. Delphi’s presentation of a particular Qualified Bid to the Bankruptcy Court for approval does not constitute Delphi’s acceptance of the bid. Delphi will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing.

10.10 Sale Hearing. The Sale Hearing will be held before the Honorable Judge Robert Drain on May 21, 2009 at 10:00 a.m. (prevailing Eastern Time) at the United States Bankruptcy Court for the Southern District of New York, located in New York, New York, but may be adjourned or rescheduled in Delphi’s sole discretion, subject to Bankruptcy Court Approval, as necessary, without further notice by an announcement of the adjourned date at the Sale Hearing. If Delphi does not receive any Qualified Bids (other than the Qualified Bid of Buyer Parent), Delphi will report the same to the Bankruptcy Court at the Sale Hearing and will proceed with a sale of the Acquired Assets to Buyer Parent following entry of the Sale Order. If Delphi does receive additional Qualified Bids, then, at the Sale Hearing, Delphi will seek approval of the Successful Bid(s), as well as the second highest or best Qualified Bid(s) (the “**Alternate Bid(s)**” and such bidder(s), the “**Alternate Bidder(s)**”). Following approval of the

sale to the Successful Bidder(s), if the Successful Bidder(s) fail(s) to consummate the sale because of: (i) failure of a condition precedent beyond the control of either Delphi or the Successful Bidder; or (ii) a breach or failure to perform on the part of such Successful Bidder(s), then the Alternate Bid(s) will be deemed to be the Successful Bid(s) and Delphi will effectuate a sale to the Alternate Bidder(s) without further order of the Bankruptcy Court.

10.11 Return of Good Faith Deposit. The Good Faith Deposits of all Qualified Bidders (except for the Successful Bidder) will be held in an interest-bearing escrow account and all Qualified Bids will remain open (notwithstanding Bankruptcy Court approval of a sale pursuant to the terms of one or more Successful Bids by one or more Qualified Bidders), until two (2) Business Days following the Closing of the Sale (the "**Return Date**"). Notwithstanding the foregoing, the Good Faith Deposit, if any, submitted by the Successful Bidder(s), together with interest thereon, will be applied against the payment of the Purchase Price upon Closing of the Sale to the Successful Bidder(s). If a Successful Bidder breaches its obligations under the Bidding Procedures Order or any agreement entered into with respect to its Successful Bid or fails to consummate a sale because of a breach or failure to perform on the part of such Successful Bidder, Delphi will not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder, and such Good Faith Deposit will irrevocably become property of Delphi. On the Return Date, Delphi will return the Good Faith Deposits of all other Qualified Bidders, together with the accrued interest thereon.

10.12 Reservation of Rights. Delphi, after consultation with the agents for its secured lenders and the Committee: (i) may determine, which Qualified Bid, if any, is the highest or otherwise best offer; and (ii) may reject at any time, any bid (other than Buyer Parent's initial bid) that is: (a) inadequate or insufficient; (b) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures or the terms and conditions of the Sale; or (c) contrary to the best interests of Sellers, its estate and creditors as determined by Delphi in its sole discretion.

11. LIABILITY, INDEMNIFICATION:

11.1 LIMITATIONS OF LIABILITY. NEITHER DELPHI NOR ANY OF THE OTHER SELLERS UNDERTAKES ANY LIABILITY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, INDIRECT OR PUNITIVE DAMAGES; DELPHI WILL NOT BE LIABLE FOR ANY, AND BUYERS ASSUME LIABILITY FOR ALL, PERSONAL INJURY AND PROPERTY DAMAGE CONNECTED WITH BUYERS INVESTIGATION AND EXAMINATION OF THE ACQUIRED ASSETS, THE HANDLING, TRANSPORTATION, POSSESSION, PROCESSING, FURTHER MANUFACTURE OR OTHER USE OR RESALE OF ANY OF THE ACQUIRED ASSETS AFTER THE CLOSING DATE, WHETHER SUCH ACQUIRED ASSETS ARE USED OR RESOLD ALONE OR IN COMBINATION WITH OTHER ASSETS OR MATERIALS; AND BUYERS ACKNOWLEDGE THAT THE ACQUIRED ASSETS ARE BEING SOLD IN THEIR PRESENT STATE AND CONDITION, "AS IS, WHERE IS," WITH ALL FAULTS, AND BUYERS' ARE PURCHASING AND ACQUIRING SUCH ACQUIRED ASSETS ON THAT BASIS PURSUANT TO BUYERS' OWN INVESTIGATION AND EXAMINATION AFTER HAVING BEEN PROVIDED WITH AN ADEQUATE OPPORTUNITY AND ACCESS TO SUCH ACQUIRED ASSETS TO COMPLETE SUCH INVESTIGATION OR EXAMINATION AND ON THE REPRESENTATIONS AND WARRANTIES IN THIS AGREEMENT AND THE INDEMNITIES IN SECTION 11.3.2.

11.2 Survival. Except with respect to Sections 2.1 (Transfers by Sellers and their Affiliates), 2.2 (Assumption of Liabilities), 2.3 (Retained Liabilities), Sections 2.4 (Deferred

Items), 3.4 (Preparation of Closing Statement), 3.5 (Preliminary Purchase Price Adjustments), 3.6 (Allocation of Purchase Price), 3.7 (Pro-Rations), 6.4 (Non-Competition), 6.5 (Tax Matters; Cooperation; Preparation of Returns; Tax Elections), 6.6 (U.S. Employees; Benefit Plans; Labor Matters), 6.7 (EMEA Employees; Benefit Plans; Labor Matters); 6.8 (Mexico Employees; Benefit Plans; Labor Matters); 6.9 (Asia/Pacific Employees; Benefit Plans; Labor Matters); 6.12 (Technical Documentation; Trade Secrets), 6.13 (Books and Records and Litigation Assistance from and after Closing), 6.14 (Corporate Names), 6.15 (Intellectual Property and Intellectual Property Licenses), 6.16 (Post-Closing Obligations), 6.19 (Further Assurances) 6.20 (Shared Items Transferred to Buyers), 6.26 (Confidentiality), 6.32 (Purchased Intellectual Property Assistance) (which will survive for two (2) years), Article 11 (Liability, Indemnification), and Article 12 (Miscellaneous) (and the definitions referenced in this Agreement used therein) which shall survive for the applicable statute of limitations or for the timeframe specified in such provision, the representations, warranties, covenants and agreements of Sellers will survive until the first anniversary of the Closing and the execution and delivery of the Ancillary Agreements; provided, however, that: (i) the representations and warranties in Section 4.5.2 (Sufficiency of Acquired Assets) will survive for only 180 days after the Closing Date; (ii) the representations and warranties in Section 4.13 (Environmental Matters) will survive until the fifth (5th) anniversary of the Closing Date; and (iii) the representations, warranties, covenants and agreements of Sellers in this Agreement and the Ancillary Agreements relating to the Taxes shall survive until expiration of the applicable statute of limitations. The representations, warranties, covenants and agreements of Buyers will survive Closing.

11.3 Indemnification. Except as may be expressly set forth in this Agreement or in an Ancillary Agreement, no Seller or Buyer will be required to indemnify any other party to any of such agreements.

11.3.1 Buyers' Indemnification of Delphi. From and after the Closing Date, Buyers will, severally and not jointly indemnify, defend and hold harmless Sellers and their Affiliates and their respective directors, officers, employees, advisors, representatives and agents from and against all Indemnifiable Losses actually incurred by Sellers and their Affiliates and their respective directors, officers, employees, advisors, representatives and agents relating to, resulting from or arising out of: (i) a breach of any representation or warranty made by any Buyer contained in this Agreement; (ii) the Assumed Liabilities; (iii) a breach of any agreement or covenant of any Buyer contained in this Agreement or any Transfer Agreements; or (iv) the conduct of the Business or the ownership of the Acquired Assets after Closing.

11.3.2 Sellers' Indemnification of Buyers. Subject to the limitations set forth in this Article 11, from and after the Closing Date: (i) each Seller of Acquired Assets (which is not a Filing Affiliate) will (solely with respect to the Retained Liabilities and representations, warranties and covenants related to such Acquired Assets) severally and not jointly indemnify, defend and hold harmless Buyers and their Affiliates and their respective directors, officers, employees, partners, advisors, representatives and agents from and against all Indemnifiable Losses relating to, resulting from or arising out of: (a) a breach of any representation or warranty made by such Seller contained in this Agreement; (b) the Retained Liabilities that are retained by such Seller; or (c) a breach of any agreement or covenant of such Seller contained in this Agreement or any Transfer Agreement; and (ii) the Sellers that are Filing Affiliates (jointly and severally with Delphi) agree to indemnify the relevant Buyer for Indemnifiable Losses: (x) to the extent that the Sale Approval Order or other applicable provisions of the Bankruptcy Code fails to discharge Liability with respect to any claims relating to Products shipped by a Filing Affiliate prior to Closing or other Retained

Liabilities of a Filing Affiliate; (y) resulting from or arising out of a breach of any representation or warranty made by such Filing Affiliate contained in this Agreement; or (z) resulting from or arising out of a breach of any agreement or covenant of such Filing Affiliate contained in this Agreement or any Transfer Agreement.

A. Seller's obligation to indemnify for Indemnifiable Losses pursuant to Section 11.3.2(i)(a) or (ii)(y) shall apply only to those Claims for which notice is provided to a Seller on or before the date that is twelve (12) months after the Closing Date with the exception of any claims for indemnification made: pursuant to Section 4.5.2 (Sufficiency of Acquired Assets) which must be notified to a Seller on or before the 180th day after the Closing Date; Section 11.4 (Environmental Matters) which must be notified to a Seller on or before the fifth (5th) anniversary of the Closing Date; Sections 2.3.2 (Product Warranty Claims) and 2.3.3 (Product Recall Claims), each of which must be notified to a Seller on or before the expiration of the relevant Warranty Period; and with respect to Taxes, Claims relating to infringement of Intellectual Property or Product Liability Claims, or other Claims under Section 11.3.2, each of which must be noticed prior to expiration of the applicable statute of limitations.

B. No Seller shall be liable for Indemnifiable Losses pursuant to Section 11.3.2(i)(a) or 11.3.2(i)(c) or 11.3.2(ii)(y) or (z) until: (i) an individual claim or occurrence is greater than Twenty-Five Thousand Dollars (\$25,000.00) ("**Individual Claim Amount**") claimed against the Sellers whether individually or collectively; and (ii) the amount of all Indemnifiable Losses (which exceeds the Individual Claim Amount) in the aggregate exceeds Five Hundred Thousand Dollars (\$500,000.00) ("**Deductible Amount**"), after which point Seller will be obligated to indemnify Buyer from and against Indemnifiable Losses exceeding the Individual Claim Amounts that are in excess of the Deductible Amount until the aggregate amount of Indemnifiable Losses indemnified reaches an amount equal to Nine Million One Hundred Thousand Dollars (\$9,100,000.00), after which no Seller would have any further obligation with respect to Indemnifiable Losses under this Agreement. The term "**Cap Amount**" refers to the maximum amount payable by a Seller or all Sellers, as the case may be. Such Cap Amount will not apply to Indemnifiable Losses relating to Retained Liabilities, (except in all cases that the Cap Amount will apply to any and all Claim(s) relating to infringement of Intellectual Property Rights), or any fraud, willful misconduct or intentional breach by a Seller. Claims arising out of Retained Liabilities shall not be subject to the Individual Claim Amount or the Deductible, except that, notwithstanding anything to the contrary herein, with respect to Claims for Environmental Damages the Individual Claim Amount will apply.

C. Buyers agree that, from and after the Closing Date, the indemnification provided in this Section 11.3.2 is the exclusive remedy for a breach by any Seller of any representations or warranties contained in this Agreement or any Transfer Agreement, a breach by any Seller of any agreement or covenant contained in this Agreement or any Transfer Agreement, that, by its terms, is intended to be performed by a Seller after the Closing Date, or arising from any Retained Liabilities, and that there shall be no other remedy for any breach by any Seller of any breach of a covenant or agreement that, by its terms, is intended to be performed by such Seller on or prior to the Closing Date;

provided that the foregoing shall not apply with respect to any breach of Section 6.4.

D. In calculating amounts payable hereunder, the amount of any Indemnifiable Losses shall be determined without duplication of any other Losses for which a Claim has been made by Buyer or could be made under any other representation, warranty, covenant or agreement included herein, i.e., an indemnified party may not recover more than once for a particular identifiable Loss.

E. To the extent that any Buyer pays for any Liabilities in Poland which should have been paid by any Seller pursuant to such Seller's indemnification obligations under this Article 11 but for the requirement under Polish Law that an asset purchaser becomes jointly and severally with the seller liable for certain pre-purchase liabilities, such Seller shall immediately reimburse such Buyer for such payment and such reimbursement amount shall not be subject to nor included in the calculation of the Buyer's Individual Claim Amount, Buyer's Deductible Amount or the Seller's Cap Amount.

11.4 Environmental Matters:

11.4.1 Indemnification of Seller and Buyer:

A. Subject to the provisions of this Agreement, and solely with respect to the Manufacturing Facilities, each Seller shall indemnify the appropriate Buyer solely for Environmental Damages arising from Pre-Closing Environmental Contamination and Pre-Closing Compliance Matters at the Manufacturing Facility operated by such Seller.

B. Subject to the provisions of this Agreement, and solely with respect to the Manufacturing Facilities (except that regarding MSA Manufacturing Facilities, Buyer will be responsible only to the extent such Losses or Liabilities are caused by changes to the manufacturing process effected by Buyer despite written objection from Seller, or by the acts of a Buyer employee located at such MSA Manufacturing Facility), Buyer shall indemnify Seller for Environmental Damages arising from Post-Closing Environmental Contamination and Post-Closing Compliance Matters; provided, however that during any period covered by a Manufacturing Services Agreement pursuant to which Seller provides contract manufacturing services to Buyer after the Closing at a particular site, Seller agrees to remain liable for Environmental Damages arising during the period of such Manufacturing Services Agreement at such site.

C. Subject to the provisions of this Agreement, for those Environmental Damages arising from circumstances that may be considered both: (i) Pre-Closing Environmental Contamination and Post-Closing Environmental Contamination; or (ii) Pre-Closing Compliance Matters and Post-Closing Compliance Matters, such Environmental Damages shall be allocated between the Parties in proportion to the extent that such Environmental Damages arose pre- or post-Closing, and each Party shall indemnify the other for its share as determined by such allocation.

D. Section 11.7 shall apply to any disputes between the parties as to environmental matters.

11.4.2 Limitations on Liability. Claims relating to environmental matters are subject to the limitations of this Section 11.4.2. Neither Party shall be liable under this Agreement for Environmental Damages:

A. In the case of Environmental Claims arising from Pre-Closing Compliance Matters, unless written notice of such claim has been served on the non-claiming Party on or before the fifth (5th) anniversary of the Closing Date.

B. In the case of Environmental Claims arising from a Pre-Closing Environmental Contamination, unless written notice of such claim has been served on the non-claiming Party on or before the fifth (5th) anniversary of the Closing Date.

C. In the case of Environmental Damages arising from Pre-Closing Environmental Conditions, unless the claiming Party discovers the facts and circumstances giving rise to such claim through the normal course of business, which shall include, but not necessarily be limited to, environmental investigation in order to comply with a binding order from a Competent Authority, or in connection with a request or order from a lending institution in connection with a financing, re-financing or other lending transaction, as a part of due diligence investigation with respect to the sale of the Business, arising out of or relating to pre-purchase or pre-occupancy due diligence, or as required by an applicable lease

D. Where the indemnified party uses the Manufacturing Facility for a use other than or more sensitive than an industrial use, or seeks to or changes the zoning or land use classification of the Manufacturing Facility to a classification more sensitive than the industrial classification in effect on the Closing Date;

E. Where, subject to Section 11.4.2.F below, and insofar as the Parties agree to treat this Agreement and all information gathered, known or obtained as a result of the sale and purchase of the Acquired Assets of a Manufacturing Facility or performing any obligation or exercising any right under this Agreement as confidential, for any Environmental Damages claims to the extent that such claim would not have arisen or was increased or made more costly as a result of the claiming Party or any of its respective employees, agents or contractors volunteering or disclosing information to any Competent Authority or Third Party without the prior written consent of the non-claiming Party.

F. The following shall not be deemed to be or to have been volunteering or disclosing of information for the purpose of Section 11.4.2.E:

(i) Where the disclosure is required by any law (including any Environmental Law);

(ii) Where the disclosure is specifically and formally required by any securities exchange or regulatory or other Competent Authority to which either Party is subject or submits wherever situated;

(iii) Where the information is clearly in the public domain through no fault of the claiming Party; or

(iv) Where the non-claiming Party has given prior written approval to the disclosure.

G. To the extent the claiming Party did not take reasonable steps to avoid or mitigate any Environmental Damages, acting in a reasonable and cost-effective manner; in the case of an emergency, where a Party takes any action to avoid or mitigate any Environmental Damages: (i) it shall for the avoidance of doubt not be in breach of this Agreement and shall not be precluded from recovering its Environmental Damages provided that the claiming Party notifies the other Party of such circumstances as soon as reasonably practicable and provided that such actions or steps are the minimum necessary to avert the emergency; and (ii) the reasonable costs and expenses of all steps taken pursuant to the duty to mitigate contained in this Section 11.4.2.G shall be deemed to be Environmental Damages.

11.4.3 Remediation of Environmental Damage:

A. Where an Environmental Damage arises out of Environmental Contamination, the non-claiming Party shall be responsible for Remedial Works or the redressing of a Compliance Matter (a "**Remedy**") to no less but no more than the Remediation Standards allowed by applicable Environmental Laws; such Remedial Works may be determined, in compliance with applicable Environmental Laws using risk assessment and related risk evaluation methods.

B. The non-claiming Party shall, where a Remedy is required pursuant to this Agreement, have conduct of such Remedy.

C. The conduct of a Remedy shall be as follows:

(i) The non-claiming Party shall prepare appropriate work plans or scopes of work to satisfactorily undertake and complete the Remedy under this Agreement; such Party will provide the other Party with an opportunity to review and comment on such work plans or scopes of work, which comments the non-claiming Party may elect to adopt where such comments do not increase any cost or liability of the Remedy;

(ii) When requested, the claiming Party shall cooperate with the non-claiming Party in any communications with the appropriate Competent Authority;

(iii) Where the Seller is the non-claiming Party, Seller will take all reasonable steps to avoid interfering with Buyer's operation or use of the Manufacturing Facility, and Buyer will reasonably cooperate with

Seller including providing access to the Manufacturing Facility and the use of utilities in the conduct of the Remedy;

(iv) Where applicable the non-claiming Party shall provide copies of all relevant correspondence sent to and received from a Competent Authority, and keep the claiming Party reasonably apprised of the progress of the conduct of the Remedy; and

(v) The conduct of the Remedy shall be deemed complete when, as the case may be:

(a) The non-claiming Party has received approval regarding the Remedy by an applicable Competent Authority; or

(b) Subject to Section 11.4.3.A of this Agreement, the remedy meets the Remediation Standards which are allowed by applicable Environmental Laws.

D. All Remedial Works required under this Agreement (which in any event remain a Retained Liability not subject to any cap), including Sellers' ongoing remedial work at the Manufacturing Facility located in Krosno, Poland, shall be performed in a timely manner.

11.5 Indemnification Procedure. The obligations of any indemnifying party to indemnify any indemnified party under Sections 11.3.1 or 11.3.2 with respect to Indemnifiable Losses resulting from the assertion of liability by third parties (including Governmental Authorities) (an "**Indemnification Claim**"), shall be subject to the following terms and conditions:

11.5.1 Any party against whom any Indemnification Claim is asserted shall give the party required to provide indemnity hereunder written notice of any such Indemnification Claim promptly after learning of such Indemnification Claim (with such notice satisfying the requirements of this Section 11.5.1), and the indemnifying party may, at its option, undertake the defense thereof by representatives of its own choosing and shall provide written notice of any such undertaking to the indemnified party. Failure to give prompt written notice of an Indemnification Claim hereunder shall not affect the indemnifying party's obligations under this Article 11, except to the extent that the indemnifying party is actually prejudiced by such failure to give prompt written notice. Any written notice delivered by the indemnified party to the indemnifying party seeking indemnification pursuant to this Agreement with respect to Indemnifiable Losses shall set forth, with as much specificity as is reasonably practicable, the basis of the claim for Indemnifiable Losses, the sections of this Agreement which form the basis for the claim, copies of all material written materials relating to such claim and, to the extent reasonably practicable, a reasonable estimate of the amount of the Losses that have been or may be sustained by the indemnified party. The indemnified party shall, and shall cause its employees and representatives to, cooperate with the indemnifying party in connection with the settlement or defense of such Indemnification Claim and shall provide the indemnifying party with all available information and documents concerning such Indemnification Claim. If the indemnifying party, within ninety (90) days after written notice of any such Indemnification Claim (or such earlier period as may be required for a response under applicable Law, as set forth in such written notice), fails to assume the defense of such Indemnification Claim, the indemnified party against whom such claim has been made

shall (upon further written notice to the indemnifying party) have the right to undertake the defense, compromise or settlement of such claim on behalf of and for the account and risk, and at the expense, of the indemnifying party, subject to the right of the indemnifying party to assume the defense of such Indemnification Claim at any time prior to settlement, compromise or final determination thereof upon written notice to the indemnified party.

11.5.2 Anything in this Section 11.5 to the contrary notwithstanding: (i) the indemnified party shall not settle a claim for which it is indemnified without the prior written consent of the indemnifying party, which consent shall not be unreasonably withheld, conditioned or delayed; and (ii) the indemnifying party shall not enter into any settlement or compromise of any action, suit or proceeding, or consent to the entry of any judgment for relief other than monetary damages to be borne by the indemnifying party, without the prior written consent of the indemnified party, which consent shall not be unreasonably withheld, conditioned or delayed.

11.5.3 All payments under this Article 11 shall be treated as adjustments to the Purchase Price.

11.6 Mitigation. Notwithstanding any other provision of this Agreement, in no event shall a Party be entitled to indemnification pursuant to this Agreement to the extent any Indemnifiable Losses were attributable to such Party's own gross negligence or willful misconduct or to the extent such Indemnifiable Losses could have reasonably been avoided by an indemnified party, or the damage to such indemnified party from such Indemnifiable Losses reasonably could have been mitigated.

11.7 Dispute Resolution:

11.7.1 Seller and Buyer will, in the first instance, attempt to settle any and all claims or disputes arising in connection with this Agreement by good faith negotiations by senior management of each party. If the dispute is not resolved by senior management within thirty (30) days after delivery of a written request for such negotiation by either party to the other, either party may make a written demand (the "**Demanding Party**") for formal dispute resolution (the "**Notice**") and specify therein in reasonable detail the nature of the dispute. Within fifteen (15) business days after receipt of the Notice, the receiving party (the "**Defending Party**") shall submit to the other a written response. The Notice and the response shall include: (i) a statement of the respective party's position and a summary of arguments supporting that position; and (ii) the name and title of the executive who will represent that party and of any other person who will accompany the executive to meetings of the parties. Within fifteen (15) business days after such written notification, the executives (and others named in the Notice or response) will meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All reasonable requests for information made by one party to the other will be honored promptly. All negotiations pursuant to this Section 11.7 are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

11.7.2 To the extent they remain unresolved through the procedure set forth in Section 11.7.1 above, all disputes arising out of or in connection with this Agreement or any of the Ancillary Agreements shall be submitted to the Bankruptcy Court (unless the Ancillary Agreements specify to the contrary). The Parties agree that the Bankruptcy Court retains exclusive jurisdiction to interpret, construe, enforce, and implement the terms and provisions

of this Agreement and of each of the Ancillary Agreements unless an Ancillary Agreement expressly states otherwise. Notwithstanding anything in this Agreement to the contrary, to the extent the Bankruptcy Court refuses to hear any case arising out of or in connection with this Agreement or any Ancillary Agreement, such dispute shall then be finally settled by binding arbitration in London under the Rules of Arbitration of the International Chamber of Commerce by one arbitrator appointed in accordance with the said rules in London.

12. MISCELLANEOUS:

12.1 Fees and Expenses. Delphi, on behalf of Sellers, on the one hand, and Buyer Parent, on behalf of Buyers, on the other hand, will each bear its own expenses and the expenses of its Affiliates in connection with the preparation and negotiation of this Agreement and the consummation of the transactions contemplated hereby, including their respective brokers' or finders' fees and all fees and expenses of their respective counsel, auditors, consultants and other representatives. Buyer Parent, on behalf of each Buyer, will be solely responsible for: (i) all expenses in connection with its due diligence review of the Business, including, without limitation, surveys, title work, title inspections, title searches, environmental testing or inspections, building inspections, UCC lien and other searches; and (ii) any cost in connection with notarization, registration or recording of this Agreement or an Ancillary Agreement required by applicable Law.

12.2 Bulk Sales Laws. Buyer Parent on behalf of each Buyer waives compliance by Delphi and Sellers with any applicable bulk sales Law.

12.3 Payments in Dollars. Except as otherwise provided in this Agreement or an Ancillary Agreement, all payments pursuant hereto will be made by wire transfer in U.S. Dollars in same day or immediately available funds.

12.4 Amendment. This Agreement may not be amended, modified or supplemented except upon the execution and delivery of a written agreement executed by the duly authorized representative or officer of the Parties.

12.5 Assignment. This Agreement will be binding on and inure to the benefit of the successors and assigns of each Party, provided, that no assignment of any rights or obligations hereunder will be made by any Seller or Buyer without the written consent of the other Party (not to be unreasonably withheld or subsequently revoked), except: (i) in connection with a sale of substantially all of the assets of the Business; and (ii) the assignment of this Agreement by each Filing Affiliate to its succeeding entity following such Filing Affiliate's emergence from Chapter 11 (which assignment will not require the other Party's consent) and will result in such Filing Affiliate and its successor entity being jointly and severally liable for such Filing Affiliate's obligations under this Agreement which the Parties will seek to have such provision included in the Sale Approval Order. The obligations under this Agreement (including all Exhibits and Ancillary Agreements) of the Sellers who are Filing Affiliates shall survive confirmation of any plan of reorganization or discharge of claims thereunder and shall be binding upon the Filing Affiliates, and the reorganized or reconstituted debtors, as the case may be, after the effective date of the confirmed plan or plans in the Filing Affiliates' cases.

12.6 Waiver. Any waiver by Sellers or Buyers of any breach or of a failure to comply with any provision of this Agreement: (i) will be valid only if set forth in a written instrument signed by the Party to be bound; and (ii) will not constitute, or be construed as, a continuing waiver of such provision, or a waiver of any other breach of, or failure to comply with, any

provision of this Agreement. At any time prior to the Closing Date, the Parties may: (a) extend the time for the performance of any of the obligations or other acts of the other Parties; (b) waive any inaccuracies in the representations and warranties contained in this Agreement or in any document delivered pursuant hereto; and (c) waive compliance with any of the agreements or conditions contained herein. Except as otherwise expressly provided in this Agreement, any agreement on the part of a Party to any such extension or waiver will be valid only if set forth in an instrument in writing signed on behalf of such Party.
